Unit 9 guest(Sacramento); Alisandra Brewer guest Vice-President for Representation (Sonoma); Pat Gantt guest CSUEU President (Chico)

Welcomed our BUC 5 . A first as the new Chair and also a first for Reggie Keys as Vice-Chair.

I asked the Council for an approval to appoint Sergio Roldan to backfill the vacant position left by Reggie.The Council approved. I thanked Sergio for his commitment to our Council. Sergio has always been an active and enthusiastic supporter of our BUC 5.

We talked about the duties and expectations of an At-Large member.

I would like to thank the Finance Committee for sending Sherri to give us a quick review on filling out expense and advance claim forms.

I also would like to thank the Classification Committee for sending Mat to give us their findings on the laborer classification.

We also discussed the importance of watching job postings that come out from our campuses to ensure the postings are accurate to the class standards.

There was an update given by Alisandra on the meet and confers.

An update on contract negotiations was given.

A follow up to have current contact information

Round-table discussions were held in which issues were discussed. Some of which were keyboxes, CTO, safety shoes, cleaning programs, square footage, on-call custodians(or a lack of), docking of minutes, and managers talking to other campus managers just to name a few issues. A follow up on these issues is needed and will be done.
