- Furlough Program update: Questions have been coming up and being forwarded to the Union Office in Sacramento as they arise. Retirement has been decreased on your paycheck due to it being based on your salary. It was not supposed to happen. There is an issue with overtime during the furlough week being approved for Chancellor's Office deadlines. Also a level 3 grievance is in place due to some campuses having a separate furlough agreement and others not.
- Campus Budget Update: UBAC has not been given any data, so tempers are flaring. Meetings are not going very well.
- Steward Training will be held October 23 & 24 at our campus in the FDC. This is a furlough Friday and breakfast and lunch will be provided. Anyone interested in attending should notify Frank. No release time is needed.
- General Council is meeting this weekend in LA. Frank, Phil, Kathleen, and Dawn will be attending. Our campus has three delegates and one alternate. Delegates are based on the percentage of our membership.
