NEW SAFETY PROTOCOLS

Many staff have returned to work on-campus and your safety is our priority! The University issued an announcement [Face Coverings, Sanitation and Disinfection](#) on June 19 explaining new protocols including:

- Wearing face coverings while working on campus (in public indoor spaces or when physical distancing of 6 feet or more cannot be achieved);
- Increasing frequency & intensity of sanitizing across campus
- Ordering face coverings & sanitation supplies from our [Campus COVID Supply](#).

It is important to follow these safety measures. Online courses in CSU Learn will further explain how you can help minimize the transmission of COVID-19.

COVID-19 Need to Know

You'll learn how the disease spreads, what symptoms to watch out for, and how to prepare with prevention and proper response strategies.
