 - b. Either party to the Agreement may peremptorily challenge one panel member at any time during the term of this Agreement and such panel member shall be removed from the panel and replaced with a mutually acceptable replacement.
 - c. When a party peremptorily challenges an arbitrator, that arbitrator shall continue to hear and determine all cases where there has been a hearing, including a hearing on arbitrability issues. If the challenge is made at a time when the parties are subject to a cancellation fee, then the cost of any such cancellation shall be paid by the party who has made the challenge. Notice to the arbitrator as to their removal from the panel shall only be given once the arbitrator has issued final awards in respect of all outstanding grievances over which the arbitrator is exercising jurisdiction.

Mediation

7.31 The parties may agree to participate in a mediation for the purpose of compromising, settling, or resolving a grievance. Mediation may be invoked at any stage of the grievance process, including the informal level. Grievances may be subject to mediation in accordance with the following:

- d. The parties shall establish a panel of mediators by mutual agreement, to serve in the north and in the south and who shall serve in alphabetical rotation.

7.33 Grievances may be subject to “Med/Arb” for the purpose of compromising, settling, or resolving a grievance in accordance with the following guidelines:

- a. Either party may request “Med/Arb” at any time following the Level III response and prior to the grievance being scheduled for arbitration.
- b. Both parties must agree to use the “Med/Arb” procedure.
- c. Should a settlement not be reached during the mediation portion of the “Med-Arb” hearing, the award of the mediator/arbitrator from the arbitration portion of the “Med-Arb” shall be final and binding on both parties and is not subject to arbitration under Level IV of the Grievance Procedure.
- d. The parties shall establish a panel of mediators/arbitrators by mutual agreement, to serve in alphabetical rotation.
- e. All costs of “Med/Arb” shall be borne equally by both parties.
- f. At least forty (40) calendar days prior to the “Med/Arb” hearing, the parties shall conduct a Pre-Hearing Conference to try to reach agreement on an issue statement, stipulations, exhibits, and witnesses.
- g. At or after the “Pre-Hearing Conference” but prior to encumbering a cancellation fee, should either party determine it did not wish to participate in a “Med/Arb” hearing, the “Med/Arb” shall be cancelled, and the Union may pursue their appeal in accordance with provision 7.20.

7.34 “Med/Arb” hearings shall be conducted in accordance with the following procedure:

- a. The parties shall submit to the arbitrator any joint stipulations and exhibits agreed upon. Each side may also submit its own exhibits.
- b. The parties shall make opening statements during which they will describe the facts and evidence they intend to submit should the hearing become an arbitration.
- c. The mediator/arbitrator will then assist the parties to pursue a resolution. If the mediator/arbitrator concurs, witnesses may be called during the mediation phase of the hearing.
- d. If the parties are unable to reach agreement, the mediator/arbitrator shall end the mediation phase of the hearing and begin the arbitration phase of the hearing.
- e. During the arbitration phase, both sides may call witnesses and enter evidence into the record.
- f. Each side is limited to no more than three (3) witnesses, unless they mutually agree to additional witnesses.
- g. At the conclusion of the hearing the parties shall present oral arguments. Unless the parties mutually agree or the mediator/arbitrator so requests, the parties will not submit written briefs.
- h. The provisions of 7.25 through 7.28 apply to “Med/Arb” hearings.
- i. The arbitrator shall issue a decision without any supporting opinion or analysis within thirty (30) calendar days of the “Med-Arb” hearing.

General Provisions

- 7.35 Failure of the grievant to comply with the time limitations or other procedural requirements of this Article shall render the grievance null and void and bar subsequent filing of this grievance. Failure by the Appropriate Administrator, President, or designated individual in the Office of the Chancellor to timely respond under this Article shall permit the grievance to be filed at the next level.
- 7.36 Time limits set forth in this Article may be extended by mutual agreement. If the grievant, grievant’s representative, if any, or Appropriate Administrator is on a leave, vacation or holiday for five (5) days or more, but less than one year, the time limits shall be extended by the length of time of such leave, vacation, or holiday. The parties must give advance notice of the need to extend time limits, whenever possible.
- 7.37 In cases where it is necessary for the grievant or their representative to have access to information for the purpose of investigating a grievance, the grievant or their representative shall make a written request for such information to the Appropriate Administrator. The grievant or their representative shall have access to all

necessary and relevant information within the policies and procedures defining confidentiality which would assist in adjusting the grievance.

- 7.38 To ensure the integrity of the grievance process, at every level a different administrator shall hear and respond to the grievant with the exception of Level IV, arbitration.
- 7.39 The processing of grievances filed and unresolved prior to the effective date of the Agreement may continue under the grievance procedure in effect at the time of the initial filing.
- 7.40 A decision by the Union to submit a grievance to arbitration shall automatically be a waiver of all other remedies except as provided otherwise by statute.
- 7.41 A grievance settled prior to arbitration shall not be precedent setting.

- 7.44 By mutual agreement, a grievance may be filed at the level at which the authority to resolve the grievance resides.
- 7.45 Prior to filing a grievance, the potential grievant and representative, if any, shall each be provided with one (1) hour release time for grievance preparation and reasonable time for grievance presentation at the informal level.
- 7.46 After the grievance has been filed, a representative and the grievant shall be provided reasonable release time for the purpose of preparation and presentation of the grievance.
- 7.47 For training purposes, the Union may have a steward-in-training attend a grievance meeting at all levels of the Grievance Procedure, provided the steward-in-training is on their own time or on 5.11 (d) time and provided the steward-in-training does not participate in the meeting. The Union shall submit to the campus Human Resources Department a list of new stewards who are to be considered in training under this article.
- 7.48 The procedures for securing release time for grievance processing shall be:
- a. Representatives and potential grievants shall promptly notify the Appropriate Administrator or their designee if release time is required to prepare and present a grievance. Notification shall be in writing, which includes, text message or email. The representative and potential grievant shall be required to cite only Article 7 (Grievance Procedure) as a statement of need.
 - b. The Appropriate Administrator shall respond in writing and grant the contractually specified release time after considering the needs of the operation of the University.

For requests made with more than twenty-four (24) hours advance notice, the Appropriate Administrator shall grant in writing the contractually specified release time after considering the needs of the operation of the University by the end of the next business day. The end of the business day is 5pm, Monday through Friday.

For urgent requests made with twenty-four (24) hours or less advance notice, the Appropriate Administrator shall grant in writing the contractually specified release time after considering the needs of the operation of the University within four (4) regular business hours of the request. Regular business hours are Monday through Friday, 8am to 5pm. Where an urgent request for release time has been properly submitted under this provision, a failure by the Appropriate Administrator to respond to the representative and/or potential grievant within four (4) regular business hours shall constitute agreement for the grant of the release as notified in writing to the Appropriate Administrator.

If the requested release time is denied for operational need, the deadline for the grievance shall be extended until such time as the release time is provided.

- c. Requests for release time shall include:
 - (1) at what time and location; and
 - (2) the anticipated duration of the meeting.

7.49 Both parties agree that all grievance files shall be confidential. Both parties agree that specific statements made and records used in grievance meetings shall be confidential.

7.50 An employee may present grievances and have such grievances adjusted without the intervention of the Union as long as adjustment is reached prior to Level IV; provided such adjustment is not inconsistent with the terms of a written agreement then in effect; and provided that the CSU will not agree to a resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution, and has been given the opportunity to file a response.

7.51 The procedure (Article 7, Grievance Procedure, or Article 8, Complaint Procedure) utilized by the employee at the Level II filing shall indicate a final and binding selection of procedures. Prior to the Level II filing, the employee may convert to the alternative procedure without interruption of time limits nor sequence of levels. If both a grievance and a complaint are filed at Level II on the same issue, either the grievance or the complaint shall be withdrawn prior to the Level II hearing.

Except as provided for in the paragraph above, an employee may not utilize both Article 7, Grievance Procedure, and Article 8, Complaint Procedure, to adjust the allegations arising from a single set of circumstances.

Release Time for State Personnel Board (SPB)

The CSU shall accommodate a shift change request for such appellant on the day of an SPB hearing. At the conclusion of a SPB hearing, employees shall immediately report

A copy of the complaint shall also be sent to the union representative handling the case and to CSUEU Headquarters. If the complaint is not amended and returned within twenty-one (21) days, the complaint will be deemed withdrawn.

8.13 The Appropriate Administrator shall hold a meeting with the complainant and the complainant's representative, if any, at a mutually acceptable time and location within twenty-one (21) days after receipt of the complaint. The complainant may bring additional representative(s) to the meeting by advising the Appropriate Administrator in advance. If there are multiple complainants, the Appropriate Administrator may have an additional representative. The Appropriate Administrator shall respond to the complainant no later than twenty-one (21) days after the Level I meeting.

Level II – Campus President or Designee

8.14 In the event the complaint is not settled at Level I, the complainant may file the Level II complaint with the President or designee no later than twenty-one (21) days after the Level I response.

- 8.16 The complainant shall present at each level all issues and evidence related to the complaint. Additional issues and/or evidence which become known after the Level II meeting shall be allowed to be presented and may be the cause for the complaint to be reviewed again at Level II only upon mutual agreement of the parties. Such issues and/or evidence must be made known before filing the complaint at Level III when alleging a violation of a systemwide policy/rule.
- 8.17 Amendments and/or modifications to the complaint shall not be made by the complainant after the Level III filing date except by mutual agreement.
- 8.18 Prior to the Level II response date, the parties may, by mutual agreement between the system-wide representatives, expedite the complaint to Level III (Office of the Chancellor) when there has been an allegation of a violation of a systemwide policy/rule. Level III (Office of the Chancellor) time limits shall commence on the date the agreement to expedite was reached.
- 8.19 An allegation of a violation of a campus policy/rule shall not be filed beyond Level II.
- 8.20 A complaint concerning health and safety issues may be filed at Level II.

Level III – Office of the Chancellor

- 8.21 In the event the complaint is alleging a violation of a systemwide policy/rule and is not settled at Level II, the complainant may file a written request for review with the Office of the Chancellor no later than twenty-one (21) days after the Level II response. The Level III response from the Office of the Chancellor shall be sent to the Union representative handling the case at Level III. A copy of the Level III response shall be sent to the complainant as long as the complainant provides an address on the complaint form. A copy of the response shall be sent to CSUEU Headquarters. If the complainant has not provided an address, the complainant's copy shall be sent to CSUEU Headquarters and CSUEU will deliver it to the complainant.

Mediation

- 8.23 The parties may agree to participate in mediation for the purpose of compromising, settling, or resolving a complaint. Mediation may be invoked at any stage of the complaint process, including the informal level. Complaints may be subject to mediation in accordance with the following:

- a. Complaints shall not proceed to mediation except by the mutual agreement of both parties.
- b. The mediator shall be selected through the mutual agreement of the parties. The mediator may be a member of the panel established in (c) below, or it may be a person identified by the parties as someone who it is believed could assist the parties in facilitating a resolution of the complaint, and who is willing to serve in that role.
- c. The parties shall establish a panel of mediators by mutual agreement, to serve in the north and in the south and who shall serve in alphabetical rotation. Members of the arbitration panel established pursuant to Article 7 shall not be eligible to serve on this mediation panel. The parties may also agree to use a mediator from the State Mediation and Conciliation Service (SMCS).
- d. The procedures set forth in California Evidence Code Section 1119, or any substitute or successor provision of that code section, shall be applicable to mediation conducted pursuant to this Agreement.
- e. All costs of mediation shall be borne equally by both parties.
- f. The recommendations of a mediator, if any, shall be advisory only and shall not be binding upon the parties.

General Provisions

- 8.24 Failure of the complainant to comply with the time limitations of this Article shall render the complaint null and void and bar subsequent filing of this complaint. Failure by the Appropriate Administrator or President to timely respond under this Article shall permit the complaint to be filed at the next level.
- 8.25 Time limits set forth in this Article may be extended by mutual agreement. If the complainant, complainant's representative, if any, or Appropriate Administrator is on a leave, vacation or holiday for five (5) days or more, but less than one year, the time limits shall be extended by the length of time of such leave, vacation, or holiday. The parties must give advance notice of the need to extend time limits, whenever possible.
- 8.26 In cases where it is necessary for the complainant or their representative to have access to information for the purpose of investigating a complaint, the complainant or their representative shall make a written request for such information to the Appropriate Administrator. The complainant or their representative shall have access to all necessary and relevant information within the policies and procedures defining confidentiality which would assist in adjusting the complaint.
- 8.27 The processing of complaints filed and unresolved prior to the effective date of the Agreement may continue under the complaint procedure in effect at the time of the initial filing.

- 8.28 A complainant may withdraw a complaint at any time. The complainant shall not file any subsequent complaint on the same alleged incident.
- 8.29 The parties, by mutual agreement, may consolidate complaints on similar issues at any level.
- 8.30 By mutual agreement, a complaint may be filed at the level at which the authority to resolve the complaint resides.
- 8.31 To ensure the integrity of the complaint process, at every level a different administrator shall hear and respond to the complainant.
- 8.32 Prior to filing a complaint, the potential complainant and representative, if any, shall each be provided with one (1) hour release time for complaint preparation and reasonable time for complaint presentation at the Informal Level.
- 8.33 For training purposes, the Union may have a steward-in-training attend a complaint meeting at all levels of the Complaint Procedure, provided the steward-in-training is on their own time or on 5.11 (d) time and provided the steward-in-training does not participate in the meeting. The Union shall submit to the campus Human Resources Department a list of new stewards who are to be considered in-training under this article.
- 8.34 After the complaint has been filed, a representative and the complainant shall be provided reasonable release time for the purpose of preparation and presentation of the complaint.
- 8.35 The procedures for securing release time for complaint processing under this Article shall be:
- a. Representatives and potential complainants shall promptly notify the Appropriate Administrator or their designee if release time is required to prepare and present a complaint. Notification shall be provided in writing, which includes text message or email. The representative and potential complainant shall be required to cite only Article 8 (Complaint Procedure) as a statement of need.
 - b. The Appropriate Administrator shall respond in writing and grant the contractually specified release time after considering the needs of the operation of the University.

For requests made with more than twenty-four (24) hours advance notice, the Appropriate Administrator shall grant in writing the contractually specified release time after considering the needs of the operation of the University by the end of the next business day. The end of the business day is 5pm, Monday through Friday.

For urgent requests made with twenty-four (24) hours or less advance notice, the Appropriate Administrator shall grant in writing the contractually specified release time after considering the needs of the operation of the

University within four (4) regular business hours of the request. Regular business hours are Monday through Friday, 8am to 5pm. Where an urgent request for release time has been properly submitted under this provision, a failure by the Appropriate Administrator to respond to the representative and/or potential grievant within four (4) regular business hours shall constitute agreement for the grant of the release as notified in writing to the Appropriate Administrator.

If the requested release time is denied for operational need, the deadline for the grievance shall be extended until such time as the release time is provided.

- c. Requests for release time shall include:
 - (1) at what time and location; and
 - (2) the anticipated duration of the meeting.

8.36 Both parties agree that all complaint files shall be confidential. Both parties agree that specific statements made and records used in complaint meetings shall be confidential.

8.37 An employee may present complaints and have such complaints adjusted without the intervention of the Union provided such adjustment is not inconsistent with the terms of a written agreement then in effect and provided that the Employer will not agree to a resolution of the complaint until the Union has received a copy of the complaint and the proposed resolution, and has been given the opportunity to file a response.

8.38 The procedure (Article 7, Grievance Procedure, or Article 8, Complaint Procedure) utilized by the employee at the Level II filing shall indicate a final and binding selection of procedures. Prior to the Level II filing, the employee may convert to the alternative procedure without interruption of time limits or sequence of levels.

Except as provided for in the paragraph above, an employee may not utilize both Article 7, Grievance Procedure, and Article 8, Complaint Procedure, to adjust the allegations arising from a single set of circumstances.

Complaint Reconciliation

8.39 Twice per year, the Office of the Chancellor and the CSUEU Administrator shall meet to reconcile the status of all open complaints between the parties.

ARTICLE 9

EMPLOYEE STATUS

Appointment

9.1 Campus position vacancies for CSUEU-represented classifications shall be posted for fourteen (14) days on the campus electronic website and on appropriate bulletin boards. Campus position vacancies shall include the classification title, skill level, description of primary duties, desirable experience, minimum qualifications, preferred qualifications (when applicable), salary range or sub-range applicable to a skill level, targeted salary range (if any), specialized skill (if any), and procedures to be followed by applicants applying for such vacancies. Desirable experience, preferred qualifications and specialized skills shall be related to the classification of the position and/or the duties of the position.

9.2 At the discretion of the campus, position vacancies may be posted only on the campus for campus applicants.

9.3 An employee who believes they are qualified for a vacant position at a CSU campus or the Chancellor's Office may apply for such position within the specified application period.

An employee may submit, along with an application, a statement regarding their experience and service within the CSU. Such a statement shall be a part of the employee's application. CSU documents regarding any meritorious service by the employee at the CSU may also be submitted by the employee with an application.

It shall be the policy of the CSU to fill bargaining unit campus position vacancies as set forth in provision 9.1 from among qualified CSUEU-represented employees currently employed at a campus. This section does not apply to employees who have served in temporary emergency positions for ninety (90) days or less, as described in Section 9.9.

The President may appoint outside applicants when the President determines such action is necessary to obtain preferred or specialized skills and abilities not available from current employees per the position vacancy announcement. CSUEU represented employees who meet minimum requirements shall be interviewed.

9.4 If an employee applicant is not selected for a position for which the employee interviewed, the employee shall be notified in writing that the employee was not selected.

9.5 An employee who submits an application for a position may be required to successfully complete job-related performance examination(s)/test(s) as part of the selection process. The results of such examination(s)/test(s) shall be deemed confidential and shall not become part of the employee's official personnel file. Such examination(s)/test(s) shall be based on essential job functions identified in the position description, including any specific, posted specialized skills, and shall

be administered equitably to each applicant. Upon request, an employee shall be given the results of their examination(s)/test(s).

9.6 Appointments shall be made by the President. Appointments may be temporary, probationary or permanent. Appointments to vacant positions shall be made through official written notification by the President. Such notification shall be provided upon employment or as soon as possible thereafter. Notification shall include the classification title, skill level (when applicable), and timebase to which the employee is being appointed, the initial salary, the name of the employee's Appropriate Administrator, the employment status of the employee, whether there is a probationary period and, if so, the length of the probationary period, and the effective date of the appointment. A copy of the position description shall be attached to the notification. A temporary appointment shall specify the expiration date of the appointment and that the appointment may expire prior to that date. The temporary employee shall be given a minimum of fourteen (14) days notice if the appointment is to be terminated prior to the specified expiration date, unless circumstances prohibit giving such notice. A temporary appointment shall not exceed the time specified in Provision 9.50. No employee shall be deemed to be appointed in the absence of such official written notification from the President.

9.7 The President may make an initial appointment at any salary rate within the salary range or sub-range.

9.8 An employee who is appointed to a position at another campus and who begins that position within six (6) months of terminating employment from the first campus, shall transfer their accumulated sick leave. The transfer of retirement credit is pursuant to the regulations of CalPERS. When an employee accepts an appointment at another campus, the employee shall be cashed out of any earned vacation credits unless the employee requests and the new campus agrees, before the employee separates from the initial campus, to transfer all or a portion of the vacation credit to the new position.

Emergency Appointment

9.9 Emergency temporary positions of one hundred eighty (180) days or less are not required to be posted. Emergency temporary appointments may not exceed one hundred eighty (180) days. On the ninety-first (91st) day of such an appointment, the employee shall be included in the bargaining unit.

Probation/Permanency

9.10 A probationary period is the period of credited service an employee who has received a probationary appointment shall serve prior to permanent status.

Probationary Period/Credited Service

9.11 The probationary period for an employee is one (1) year of service in a particular classification or skill level.

- 9.12 Part-time and full-time temporary service shall count as credited service for probation when granted by the President. Part-time employees must have a timebase of at least 0.5 in order to be considered probationary employees and qualify for permanent status.
- 9.13 A year of service for employees in twelve (12) month positions is any consecutive twelve (12) months of full-time employment. The period of probation for an employee in a half-time or more, but less than full-time, position is one year of service.
- 9.14 For employees serving in ten (10) month positions, a year of service is the equivalent of ten (10) months of full-time employment within a twelve (12) month period of time. The ten (10) months of required service for each twelve (12) month period shall be determined by the President upon appointment of the employee to a ten (10) month position.
- 9.15 A year of service for an employee in an academic year position is two (2) consecutive semesters or three (3) consecutive quarters of employment within an academic year at a timebase of at least 0.5.

Suspension of Service Credit

- 9.16 a. When a probationary employee goes on a leave of absence, the time served before the leave is counted in determining the remaining length of probationary service. Upon return to work, the employee shall be notified when the probationary period will end.
- b. An employee's probationary period is extended for the same number of days such employee is on paid sick leave or family medical leave of over thirty (30) days, parental leave, and for any day an employee is on Workers' Compensation (WC), Industrial Disability Leave (IDL), Non-Industrial Disability Insurance (NDI), Military Leave or formal leave without pay (LWOP).
- The President shall determine if the employee's probationary period should be extended when a full-time probationary employee is placed on a partial leave.
- c. Normally, a new probationary period shall be served when an employee begins an appointment at another campus. However, the employee may be appointed with permanent status or credit toward permanency as determined by the President of the campus to which the employee is appointed.

Change in Position

- 9.17 The employee selected for a position that requires movement to a new classification or skill level may serve a new probationary period.
- a. If an employee is reclassified, the employee may be required to serve a new probationary period. The length of service required for such a new

probationary period shall be determined by the President and shall not exceed one (1) year from the effective date of the reclassification.

- b. A permanent employee in a position that is reclassified as a result of the implementation of a new classification or the revision of a current classification shall not be required to serve a new probationary period, provided the employee has completed probation in their current classification and there has been no substantial change in the employee's duties.
- c. A probationary employee in a position that is reclassified as a result of the implementation of a new classification or the revision of a current classification shall have all probationary service in their prior classification credited toward probation in the new or revised classification, provided there has been no substantial change in the employee's duties.

9.18 An employee with permanent status in a lower classification or skill level who is advanced to a higher classification or skill level and is denied permanent status in the higher classification or skill level, shall have the right to return to the lower classification or skill level with permanent status in that class.

An employee in probationary status in a lower classification or skill level who is advanced to a higher classification or skill level and is denied permanent status in the higher classification or skill level shall be granted service credit toward completion of the probationary period in the lower classification or skill level provided the duties in the higher classification or skill level are substantially similar to the duties in the lower classification or skill level and the employee's performance in both classifications or skill levels has been satisfactory.

Classification Change

9.19 When an employee moves to a lower classification or skill level in the same classification series, the appropriate salary rate in the salary range or sub-range shall be determined by combining any previous service in the lower classification/skill level and service in the higher classification/skill level.

9.20 When an employee moves to a lower classification or skill level in another classification series, the appropriate salary rate in the salary range or sub-range shall be determined by the President, except that in no case shall the new rate exceed the rate received in the higher classification or skill level. Determination of the appropriate salary rate in such cases shall be made by using the same criteria as would be used for an initial appointment to that classification or skill level.

9.21 When an employee moves to a classification or skill level with a higher salary range, sub-range or sub-range maximum, the appropriate salary rate in the salary range or sub-range shall be determined by the President. The salary rate in the higher salary range or sub-range shall be at least a five (5) percent increase. This provision does not apply to the implementation of a new classification structure when the original classifications are abolished and replaced with a new set of classifications and the employees are converted to the new classifications or skill levels.

In-Classification Progression

- 9.22 Movement from one skill level to a higher skill level within a classification is referred to as an in-classification progression. When an in-classification progression occurs, the appropriate salary rate in the applicable sub-range shall be determined by the President. The salary increase shall be at least five (5) percent.

Classification or In-Classification Progression Review

- 9.23 An employee may request a position classification review at any time during the year, subject to the limitation in provision 9.27. Employees in classifications with skill levels may request a skill level review related to an in-classification progression. All such requests are to be made to the Appropriate Administrator with a copy submitted to the campus Human Resources Office.
- 9.24 The classification, in-classification progression, and/or skill level review procedures shall be determined by the President. A copy of the classification or skill level review procedures shall be made available to the employee upon request and be posted on the campus website. A set of the Classification and Qualification Standards shall be available for reference on each campus.
- 9.25 The employee shall be notified in writing of the classification and/or skill level review decision and the reason(s) for the decision within thirty (30) days after the decision has been reached. If a higher classification or skill level is granted, normally the employee shall receive the appropriate compensation of the higher classification or skill level retroactive to no later than the first day of the pay period following the date the request for the classification review was received in the campus Human Resources Office.

Employee Requested Classification or In-Classification Progression Review

- 9.26 An employee-requested classification and/or skill level review shall be completed no later than one hundred eighty (180) days after initiation of the classification and/or skill level review procedure. An employee shall not submit such a subsequent request prior to twelve (12) months after completion of a previous classification review.

Classification and/or In-Classification Progression Appeal

- 9.27 An employee may appeal the decision of a classification and/or skill level review that was requested by either the employee or management no later than thirty (30) days after such results have been provided to the employee. Such an appeal shall be filed with the Appropriate Administrator in the Human Resources Office. Such an appeal shall include a detailed statement by the employee indicating their reasons for disagreement with the classification and/or skill level review decision. The employee shall provide a copy of such an appeal to the Appropriate Administrator to whom the employee directly reports.
- 9.28 A designated individual in the Human Resources Office shall hold a meeting with the employee and the employee's union representative, if any, no later than thirty

(30) days after the classification and/or skill level review appeal filing. The designated individual should not be the same person who conducted the initial classification and/or skill level review. This individual shall respond in writing to the employee no later than thirty (30) days after the meeting with the employee. Such a response shall be final. If a higher classification or skill level is granted, normally the employee shall receive the appropriate compensation of the higher classification or skill level retroactive to no later than the first day of the pay period following the date the request for the classification review was received in the campus Human Resources Office. Upon request of an employee whose current classification is determined to be appropriate, the employee shall receive a report stating the primary reasons for the classification decision, but shall not have access to the working notes of the person conducting the classification review.

- 9.29 Provisions 9.23-9.28 shall not be subject to the grievance procedure, unless the grievant alleges the terms of this policy have been violated, misinterpreted, or misapplied. The classification and/or skill level decision shall not be subject to Article 7, Grievance Procedure.

Rejection During Probation

- 9.30 Any probationary employee may be separated from service at any time by the President upon written notice of rejection during probation. The employee should normally be given two (2) weeks notice of rejection during probation.
- 9.31 The notice of rejection shall indicate to an employee their right to review their personnel file and review materials in the file regarding rejection.
- 9.32 A full-time employee employed for more than six (6) months, or its equivalent for an employee in a half-time or more, but less than a full-time position, may utilize the provisions of Article 8, Complaint Procedure, beginning at Level II, to appeal the decision to reject during probation when alleging:
- a. performance evaluation procedures required by the contract were not followed; or
 - b. arbitrary and capricious reasons for non-retention.
- 9.33 Appeals of the decision to reject during probation shall be filed at Level II of the Complaint Procedure with the Office of Human Resources within fourteen (14) days of the written notice of the rejection during probation. Said appeals may be filed by an eligible employee or the Union on the employee's behalf, and signed by the rejected employee.
- 9.34 If the complaint is not resolved at Level II, the complaint shall be moved to Level III for Chancellor's Office review. The Level III response shall be the final decision and not subject to further appeal.
- 9.35 By mutual agreement of the parties, the Level II meeting and response may be waived.

9.36 An employee rejected during the probationary period may not utilize the Grievance Procedure of this Agreement to appeal the decision to reject during probation.

Permanent Status

9.37 An employee who has completed the appropriate probationary period as defined in Provision 9.11 shall be awarded permanent status at the beginning of their second year of service.

9.38 If an employee with permanent status moves to a different classification and receives permanent status in the new classification, the employee shall not retain permanent status in the classification from which the employee moved. If an employee with permanent status in a classification receives a temporary appointment in another classification and the temporary appointment expires, the employee shall have the right to return to the employee's prior classification with permanent status in that class.

9.39 The President shall grant permanent status to a temporary employee subject to the following conditions:

- a. The temporary employee shall have served in a Bargaining Unit Classification or classification series for at least four (4) consecutive years immediately prior to the granting of permanency.
- b. Such employee service shall have been in an appointment with a timebase of at least 0.5.
- c. A timebase shall not be reduced in the appointment immediately preceding the granting of permanency.
- d. This provision does not apply to employees in positions which are funded by non-reoccurring grants, contracts or special projects with beginning and ending dates.
- e. The employee shall become permanent at the conclusion of four (4) consecutive years. "Consecutive years" as used in this article shall be:
 1. Four (4) consecutive annual appointments on a 12 month, 10 month, 10/12 or 11/12 pay plan, or
 2. Four (4) years of continuous temporary appointments, in which there are no breaks in service/employment totaling more than ninety (90) days, within each year.

9.40 An intermittent employee who is paid one thousand (1000) hours in a fiscal year is deemed to have completed a year of service for purposes of permanent status.

9.41 The President may, at their sole discretion, grant permanent status to a temporary employee subject to the following conditions:

- a. The temporary employee shall have served in bargaining unit classifications at the campus for at least one (1) year immediately prior to the granting of permanency.
- b. Such employee service shall have been in appointments with a timebase of at least 0.5.

9.42 Such a permanent status shall include the right to continue employment at the timebase determined by the President at the time permanency is granted. The President may determine to grant such permanency at a timebase of at least 0.5.

ARTICLE 10

EMPLOYEE PERFORMANCE

- 10.1 Permanent employees shall be subject to an annual performance evaluation.
- 10.2 A probationary employee shall be evaluated by the end of the third (3rd), sixth (6th), and eleventh (11th) month of the probationary period, unless the employee has earlier been rejected during probation.
- 10.3 A temporary employee shall be evaluated at periodic intervals. An employee with an appointment of twelve (12) months or longer shall receive at least one performance evaluation during each twelve (12) month period of the appointment.
- 10.4 Absence of a performance evaluation will not constitute a reason for an employee not receiving an increase in salary to which they otherwise would have been entitled under the terms of this Agreement.
- 10.5 A performance evaluation is a review of the employee's performance and shall be based upon job-related criteria. Employee performance evaluations are for the purpose of evaluating individual employee performance and for providing guidance for performance development and improvement. Employee evaluations should acknowledge changes affecting the employee's position, including workload, which have occurred since the last evaluation.
- 10.6 The performance evaluation of an individual with an overall performance evaluation rating of below satisfactory shall include specific information regarding the areas of concern. It is the normal practice that the Appropriate Administrator counsel an employee on below satisfactory performance when the concern is identified and before it is documented in a Performance Evaluation. The substantive content and overall evaluation rating are not subject to Article 7, Grievance Procedure.
- 10.7 The Appropriate Administrator may request a draft from a designated evaluator regarding the employee's job performance. Only the Appropriate Administrator shall submit a draft evaluation for the employee's review, input, and discussion. Upon request, the Appropriate Administrator shall provide the employee with a copy of their position description that is in the employee's personnel file, as outlined in Article 17.2.
- 10.8 The employee shall be given up to a maximum of ten (10) work days to review the draft evaluation and provide input, if any, to the Appropriate Administrator.
- 10.9 The Appropriate Administrator shall consider the input provided pursuant to provision 10.8 above in preparing the final performance evaluation, and prior to placing it in the employee's personnel file.
- 10.10 The employee shall be provided with a copy of the written record of the performance evaluation prior to its placement in the personnel file. Regardless of

the overall performance evaluation rating scale, or other terms that a campus may use to evaluate overall performance, the campus shall use the term “satisfactory” to indicate an acceptable level of performance.

- 10.11 Upon request of the employee a meeting between the employee, the Appropriate Administrator, and the employee's representative, if any, shall meet to discuss the final evaluation. Such a meeting shall take place within seven (7) work days of the request at a mutually agreeable time and location. The request for such a meeting shall not prevent the Appropriate Administrator from placing the final performance evaluation in the file.
- 10.12 If an employee disagrees with the record of a performance evaluation which has been placed in their personnel file, the employee may submit a rebuttal statement which shall be attached to the performance evaluation. The evaluation shall be reconsidered by the Appropriate Administrator in light of the rebuttal statement and/or the Provision 10.11 meeting, and if the evaluation is amended, the amended evaluation shall replace the original evaluation and its rebuttal.
- 10.13 Performance evaluations shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the terms of this Agreement have been violated, misinterpreted, or misapplied.
- 10.14 The CSU and CSUEU shall meet no later than ninety (90) days after ratification to negotiate the introduction of systemwide evaluation form(s) and written guidance on the performance review procedure. Systemwide evaluation form(s) shall include evaluation metrics and scales that shall be clearly defined and achievable.

ARTICLE 11

PERSONNEL FILE

- 11.1 One (1) official personnel file shall be maintained for each employee in the campus Human Resources Office. The term "personnel file" as used in this Agreement shall refer to this one (1) official personnel file.
- 11.2 If a campus decides to convert employee personnel files to an electronic format, it shall ensure that:
- a. A log (including, but not limited to, name, date and purpose) shall be maintained to record all access to an employee's personnel file by any non-Human Resources employee or by a Human Resources employee for the purpose of making a personnel decision/recommendation; and
 - b. The data is maintained on a password-protected, secure system.

Employee Access

- 11.3 The contents of an employee's official personnel file, exclusive of pre-employment materials, shall be open to their review and review by a Union Representative when authorized in writing by the employee.
- 11.4 An employee or their Union Representative may request an appointment for the purpose of reviewing the employee's personnel file. Such requested appointments shall be scheduled during normal business hours. Within three (3) working days of a request to Human Resources, an employee and/or a union representative shall be notified when the employee and/or their Union Representative shall have access. The manner of access to the official personnel file shall be subject to reasonable conditions.
- 11.5 Within fourteen (14) days of the employee's written request, the employee shall be provided an exact copy of all or any portion of materials officially maintained in the campus personnel file. The employee shall bear the cost of duplicating such materials, except as provided for in Article 7, Grievance Procedure, Article 8, Complaint Procedure, or when such materials have bearing on disciplinary action or pre-disciplinary matters. The cost of duplicating material shall be the amount provided in Civil Code Section 1798.33, or any substitute or successor provision of that code section (as of January 2018 the amount is ten (10) cents per page).
- 11.6 Personnel recommendations or decisions relating to any personnel action(s) shall be based primarily on material contained in the employee's official personnel file and open to the employee's review. If a personnel recommendation or decision is based on any reasons not contained in the employee's official personnel file, the Appropriate Administrator making the recommendation or decision shall commit those reasons to writing and the written statement of those reasons shall be placed in the employee's official personnel file.

- 11.7 An employee shall not have access to pre-employment materials in the personnel file, except in instances when such materials are used in personnel actions.
- 11.8 An employee shall be provided with a copy of material which could lead to an adverse personnel action prior to the placement of such material in their personnel file.
- 11.9 Upon request by an employee, attendance and payroll records maintained separately from the personnel file may be reviewed by the employee or a representative when authorized in writing by the employee. Such attendance and payroll records shall be excluded from provisions of Article 11, Personnel File.
- 11.10 Employees may submit commendations, copies of college degrees, certifications and special licenses, and an updated resume to the Appropriate Administrator for placement as soon as possible in the Personnel File.

Rebuttal

- 11.11 An employee may submit a rebuttal statement to material in their personnel file which shall be placed in the employee's personnel file.

Request for Correction

- 11.12 If, after review of the employee's records, an employee believes that any portion of the material is not accurate, the employee may request in writing to the President correction of the record.
- 11.13 Within twenty-one (21) days of an employee's request for correction of the record, the President shall notify the employee in writing of the President's decision regarding the request.
- a. If the President denies the request, the President shall state the reason(s) for denial in writing, and this written statement shall be sent to the employee.
 - b. If the President grants the request for correction of the record, the record shall be corrected. The employee shall be sent a copy of the corrected record and a written statement that the incorrect record in question has been permanently removed from the employee's personnel file.

ARTICLE 12

CORRECTIVE ACTION

Investigatory Interviews (Weingarten Rights)

- 12.1 Upon the employee's request, the employee may be represented at an investigatory interview if the employee reasonably believes that disciplinary action may result. Prior to the interview, the employee shall be informed of the general nature of the matter being investigated. The employee may request to consult with their representative, if any. The right to representation does not apply to meetings held exclusively to inform an employee of a previously made disciplinary decision unless the CSU proposes to discuss or modify the disciplinary decision. If the representative an employee requests is unavailable, the employee may request alternate representation. The CSU is not obliged to postpone the interview, nor to suggest or secure the alternate representation; however, the employee shall not be required to answer any questions without a representative present, unless the employee voluntarily chooses to do so. At its discretion, the CSU may decline to hold any interview if the employee requests representation.

Reprimands

- 12.2 As used in this Article, the term "reprimand" shall refer to any written communication from an Appropriate Administrator to an employee that criticizes or otherwise comments negatively upon the personal/professional conduct and/or job performance of the employee if that written communication is placed in the official personnel file. Performance evaluations or notices of performance expectations or rules and regulations do not constitute a reprimand.
- 12.3 An employee may receive from an Appropriate Administrator an oral and/or written reprimand. Reprimands shall be provided in a timely and confidential manner.
- 12.4 Within thirty (30) days of the issuance of the reprimand, an employee may request a conference with the Appropriate Administrator who issued the reprimand to discuss the reprimand. Such a request shall not be unreasonably denied. The employee may be represented at such a conference by another employee or a Union Representative.
- 12.5 A written reprimand shall be placed in the official personnel file of the affected employee and shall be subject to Article 11, Personnel File. The employee shall be provided with a copy of a written reprimand. An employee may appeal the decision to place a written reprimand in their personnel file to the President within five (5) days after the conference held pursuant to 12.4 above. The President may hold a meeting with the employee and their representative, if any. Within ten (10) days of the meeting, or ten (10) days of the receipt of the appeal, if no meeting was held, the President shall provide a written response to the employee.
- 12.6 Reprimands shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the terms of this Agreement have been violated, misinterpreted, or misapplied.

Rebuttal to Reprimand

- 12.7 An employee shall have the right to attach a rebuttal statement to a written reprimand in their official personnel file.

Removal of Reprimand from Personnel File

- 12.8 Upon the employee's written request to the Human Resources Office and three (3) years from its effective date, a reprimand in the personnel file shall be permanently removed. Such a request shall be promptly honored and a statement verifying the permanent removal of the reprimand shall be provided to the employee. Neither the employee request for such a removal, nor the statement verifying the removal, shall be placed in the employee's personnel file. If a notice of disciplinary action has been served on the employee and such a reprimand is related to the disciplinary action, this provision shall not be implemented. Nothing in this provision shall prohibit earlier removal of the reprimand.

Temporary Suspension with Pay

- 12.9 The President may temporarily suspend with pay an employee for reasons related to (a) the safety of persons or property, (b) the prevention of the disruption of programs and/or operation, or (c) investigation for formal notice of disciplinary action.
- 12.10 The President shall notify the employee of the immediate effect of a temporary suspension.
- 12.11 The President may terminate or extend a temporary suspension and shall notify the employee of any such extension and the anticipated completion date of the investigation, in writing. Notice may be provided by fax, email or regular mail, in addition to certified mail.
- 12.12 Temporary suspension shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the terms of this Agreement have been violated, misinterpreted, or misapplied.

ARTICLE 13

RESIGNATIONS

Automatic Resignation

- 13.1 An employee who is absent for five (5) consecutive workdays without securing authorized leave from the President shall be considered to have automatically resigned from CSU employment as of the last day worked. All unauthorized absences, whether voluntary or involuntary, shall apply to the five (5) consecutive workday limitation. The five (5) day period referred to above shall commence at the beginning of the first shift of such absence and shall be deemed to have been completed at the end of the employee's scheduled work hours on the fifth (5th) consecutive day of unauthorized absence.
- 13.2 The President shall notify the employee that the University will be separating them by automatic resignation under this Article unless the employee requests an administrative review regarding their absence within seven (7) work days following such notification. No automatic resignation shall be final until the seven (7) work day period has passed and either a decision is made by the reviewing officer or the employee has failed to request a review. Notification shall be in person or by certified mail to the employee's last known address, and may additionally be provided by fax, email or regular mail.
- 13.3 If the employee responds to the notification from the President by requesting an administrative review within seven (7) work days of such notification, the employee will be provided with the opportunity to respond, either orally or in writing, to a campus reviewing officer designated by the President. Either party may present evidence at any review meeting. The reviewing officer's decision, which shall be rendered within fourteen (14) days of the administrative review, shall state:
- a. whether the employee was absent for five (5) consecutive workdays;
 - b. whether the employee had proper authorized leave to be absent;
 - c. whether the employee has presented a sufficient excuse to warrant continuation of employment, supported by facts which provide justification of the absence or continuation of employment. If an action other than automatic resignation is proposed, it shall be stated along with reasons for its use; and
 - d. whether the employee should be separated by automatic resignation.
- 13.4 Any employee who is reinstated by the President under this provision shall not be paid salary for the period of unauthorized absence unless it is determined that such absence may be appropriately charged to accrued leave. The employee shall adhere to all other reinstatement requirements set forth in writing by the President.

13.5 This Article shall not supersede Section 89541 of the California Education Code or any substitute or successor provision of that code section. Provisions 13.1 through 13.4 shall not limit an employee's right to a State Personnel Board appeal.

Voluntary Resignation

13.6 An employee who resigns from their position shall be terminated as of the effective date of the resignation.

13.7 No later than thirty (30) days after a termination pursuant to Provision 13.6 above, the employee or former employee may request to rescind their resignation. Such requests shall be made in writing to the President.

The President shall respond to such requests indicating denial, acceptance, or qualified acceptance within fourteen (14) days. The President's response shall be final unless it is reversed by the State Personnel Board pursuant to Provision 13.8 below and shall not be subject to Article 7, Grievance Procedure.

13.8 Provisions 13.6 and 13.7 (Resignation) of this Article shall not supersede Section 89542 of the California Education Code, or any substitute or successor provision of that code section. Provisions 13.6 and 13.7 shall not limit an employee's right to a State Personnel Board appeal.

ARTICLE 14

VACATIONS AND HOLIDAYS

Vacations

14.1 Employees are eligible for paid vacation in accordance with the schedule in Provision 14.2 below.

Vacation Accrual

14.2 Service requirements below are in terms of full-time service. Service requirements shall be pro rata for employees who work less than full-time.

Service Requirements	Vacation Credit Per Monthly Pay Period		
	Days	Hours (Hourly Equivalent of Days)	Days (Annual Accrual Equivalent)
1 Month to 3 Years	5/6	6-2/3	10
37 Months to 6 Years	1-1/4	10	15
73 Months to 10 Years	1-5/12	11-1/3	17
121 Months to 15 Years	1-7/12	12-2/3	19
181 Months to 20 Years	1-3/4	14	21
241 Months to 25 Years	1-11/12	15-1/3	23
301 Months and Over	2	16	24

14.3 Intermittent employees earn vacation credit in accordance with HR/Leaves 2014-02, or in any superseding Technical Letter, if applicable.

Vacation Credits

14.4 For purposes of computing vacation credit, an employee who works eleven (11) or more days in a monthly pay period is considered to have completed a month, a month of service, or continuous service. When an absence without pay of more than eleven (11) consecutive working days falls into two (2) consecutive qualifying monthly pay periods, one (1) of the pay periods is disqualified.

14.5 An authorized leave of absence without pay shall not be considered service for the purpose of vacation accrual.

14.6 Vacation credits are cumulative to a maximum of three hundred and twenty (320) working hours for ten (10) or less years of qualifying service or four hundred and forty (440) working hours for more than ten (10) years of such service. Accumulation in excess of this amount as of January 1 of each year shall be forfeited by the employee. An employee shall be permitted to carryover more than allowable credits when the employee was prevented from taking enough vacation to reduce the credits because the employee (1) was required to work as a result of fire, flood, or other extreme emergency; (2) was assigned work of priority or critical

nature over an extended period of time; (3) was absent on full salary for compensable injury; or (4) was prevented from using vacation previously scheduled to be taken in December because of being on paid sick leave.

- 14.7 A probationary employee shall not take vacation until completion of one (1) month in work status, unless by mutual agreement.

Vacation Requests

- 14.8 Based upon the operational needs of the campus, vacation schedules shall be determined by the Appropriate Administrator. Requests for scheduling vacation shall ordinarily be submitted in writing to the Appropriate Administrator at least thirty (30) days in advance. Vacations shall be scheduled and taken only as authorized by the Appropriate Administrator. If a conflict in vacation requests arises, the Appropriate Administrator shall give consideration to the employee(s) with the most seniority, provided that operational needs are met.

Once approved in writing, vacations shall not be rescinded without the mutual consent of the employee and the Appropriate Administrator, except in cases of emergency as determined by the Appropriate Administrator.

In all cases the Appropriate Administrator shall respond in writing, either approving or denying the request. The response shall be provided as soon as possible, but no later than fourteen (14) days after the submission of the employee's written request. If the Appropriate Administrator has not provided a response to an employee's vacation request within fourteen (14) days, the employee may elevate their request to the next level Appropriate Administrator. The next level Appropriate Administrator shall respond in writing, either approving or denying the request. The response shall be provided as soon as possible, no later than seven (7) days after employee's elevation of the request.

Requests with less than thirty (30) days' notice for vacation shall be submitted in writing to the Appropriate Administrator who will determine whether or not to approve or deny the request based on the operational needs of the campus. Submission with less than thirty (30) days' notice shall not, by itself, be a basis for denying the vacation request. If the request requires an immediate determination, then the decision may be communicated orally to the employee, and thereafter confirmed in writing within seven (7) days of the date of the oral response.

- 14.9 Whenever an employee's accrued vacation amount will exceed or has exceeded the maximum accrual by the end of the calendar year as a result of the denial of one or more requests by the employee to schedule and use vacation in the last quarter of the calendar year, the following procedure shall apply:
- a. The employee shall submit a vacation request for the use of the excess vacation and the Appropriate Administrator shall respond to the request within ten (10) working days.

- b. In the event that the request has not been granted within the ten (10) day period, the employee and the Appropriate Administrator shall attempt to reach mutual agreement on alternative dates on which to use the excess vacation.
- c. If the employee and the Appropriate Administrator are unable to reach agreement, the employee may suggest three (3) alternative, non-overlapping periods of vacation time to be completed no later than June 30 of the new calendar year to utilize the excess vacation. The Appropriate Administrator shall agree to one of the three (3) scheduling options submitted by the employee.
- d. If the employee fails to submit the three (3) scheduling options for use of the excess vacation, the Appropriate Administrator will direct the use of vacation on days to be determined by the Appropriate Administrator.

Lump Sum Payment

- 14.10 Upon separation from service, an employee is entitled to a lump sum payment as of the time of separation for any unused or accumulated vacation. Such sum shall be computed by projecting the accumulated time on a calendar basis so that the lump sum will equal the amount which the employee would have been paid had the employee taken the time off, but not separated from service.

Holidays

- 14.11 The holidays designated in this Article are intended to be a day off of a regularly scheduled workday, except as provided in provision 14.16. The amount of time an employee has off for the Holiday without a loss in pay shall be the number of hours the employee is normally scheduled to work.
- 14.12 The following paid holidays, except as provided in Provision 14.14 below, shall be observed on the day specified:
- a. January 1
 - b. Third Monday in January (Martin Luther King Jr. Day)

 - e. First Monday in September (Labor Day)
 - f. November 11 (Veteran's Day)
 - g. Thanksgiving Day
 - h. December 25
 - i. Any other day designated by the Governor for a public fast or holiday.

14.13 The paid holidays listed in this provision shall be observed on the day specified unless they fall on a Saturday or Sunday, or are rescheduled for observance on another day by the President.

- a. Third Monday in February (Washington's Birthday)
- b. February 12 (Lincoln's Birthday)
- c. Last Monday in May (Memorial Day)
- d. Admission Day
- e. Second Monday in October (Columbus Day)

14.14 Any holiday listed in this Article which falls on a Saturday shall be observed on the preceding Friday. Any holiday in this Article which falls on a Sunday shall be observed the following Monday.

14.15 The amount of time off an employee shall receive with no loss in pay to observe the holiday is as provided below:

- a. An employee scheduled to work on the day a holiday is officially observed, except as provided in provision 14.16 (b), shall be entitled to the holiday. The number of hours of the holiday shall be determined by the hours the employee is normally scheduled to work on the day the holiday is observed.
- b. If an employee is on a compressed work schedule or an alternate work schedule and the holiday is observed on a non-workday, the employee shall be entitled to a day equal to their normal workday. This holiday must be used on the employee's next work day, subject to the operational needs of the campus, or within one hundred and eighty (180) days after the holiday was observed.
- c. If an employee has been unable to take their holiday within one hundred eighty (180) days due to operational need, the employee shall be paid for the holiday.

14.16 An intermittent employee is entitled to holiday pay based on the number of hours worked in the month the holiday is observed in accordance with HR/Leaves 2014-02, or in any superseding Technical Letter, if applicable, in accordance with the following table:

<u>Hours Worked</u>	<u>Hours Holiday Pay</u>
0 – 10.9	0
11 – 30.9	1
31 – 50.9	2
51 – 70.9	3
71 – 90.9	4
91 – 110.9	5

111 – 130.9	6
131 – 150.9	7
151 +	8

- 14.17 An employee on a leave of absence without pay or in other non-pay status on a day a holiday is officially observed shall not be entitled to the holiday.
- 14.18 If a holiday falls on a scheduled workday during an employee's vacation or within a period of absence chargeable to sick leave, the holiday will not be charged to sick leave or vacation time.
- 14.19 A campus yearly calendar, including campus Holiday closures of the campus, shall be provided to the employees at least thirty (30) days before its effective date.
- 14.20 An employee shall be permitted to use accrued vacation or their Personal Holiday if the President closes the campus and there is an insufficient number of holidays scheduled to be observed during the closure. Employees eligible for CTO may use accrued CTO during periods of campus closure.
- 14.21 Should an employee not have vacation accrued, sufficient CTO balance or Personal Holiday to cover the scheduled days of closure, they shall be provided sufficient work prior to the scheduled closure to prevent any loss of pay or benefits. Such time worked shall be in accordance with Article 19, Overtime.
- 14.22 Employees, including cruise employees, who are in an academic year appointment are entitled to all days designated in the campus academic calendar as academic holidays, or any other day designated by the Governor for a public fast or holiday. If the timebase is less than full-time, this provision will be applied on a pro rata basis.

Personal Holiday

- 14.23 An employee is entitled to one (1) Personal Holiday which must be taken on one (1) day during the calendar year. If the employee fails to take the Personal Holiday before the end of the year, the holiday shall be forfeited. The scheduling of the holiday shall be by mutual agreement of the employee and the Appropriate Administrator.

Holiday Work Compensation

- 14.24 A full-time employee who works on the day a holiday is officially observed shall be compensated at their overtime rate on an hour-for-hour basis for all hours worked on the holiday. Such compensation shall be in cash or CTO, as determined by the President. This provision shall apply pro rata to less than full-time employees. Employees not eligible for overtime as listed in Appendix C shall receive time off earned at the straight time rate.

14.25 When a holiday is observed pursuant to Provision 14.15 and an employee is not scheduled to work on the day the holiday is observed, but is required to work on the calendar date of such a holiday, they shall only receive holiday work compensation for time worked on the calendar date of the holiday. Such compensation shall be provided pursuant to Provision 14.25, Holiday Work Compensation, of this Article.

ARTICLE 15

LEAVES OF ABSENCE WITH PAY

15.1 “Immediate family” as used in this Article shall mean:

- The employee’s spouse or domestic partner;
- The employee, spouse or domestic partner’s: parent, step-parent, grandparent, great-grandparent, sibling, child or grandchild (including foster, adopted and step), parent’s sibling, parent’s sibling’s spouse;
- The employee’s child-in-law;
- A person living in the immediate household of the employee, except domestic employees, roomers, boarders, and/or roommates.

Sick Leave

15.2 Following completion of one (1) month of continuous service, a full-time employee shall accrue eight (8) hours of credit for sick leave with pay. Thereafter, for each additional month of service, eight (8) hours of credit for sick leave with pay shall be accrued.

15.3 Each full-time employee shall be considered to work not more than forty (40) hours each week. Employees who are appointed less than full-time shall accrue credit for sick leave with pay on a pro rata basis.

15.4 Sick leave may be accumulated without limits, and no additional sick leave with pay beyond that accumulated shall be granted except as provided for in Provision 15.8.

15.5 An employee shall be responsible for reporting an absence to the Appropriate Administrator as soon as possible in compliance with department and campus policies. The CSU recognizes that extenuating circumstances may prevent an employee from calling in before the start of their shift, but the employee will make every effort to call in as close to the start of the shift as possible.

15.6 An employee shall be responsible for completing and submitting the campus’s required absence documentation to the Appropriate Administrator on the date designated by the Appropriate Administrator.

15.7 An employee may be required to provide a licensed health care provider’s statement or other appropriate verification when absent due to illness/injury. An employee shall not normally be required to provide such a statement or verification for an absence of five (5) consecutive days or less.

Catastrophic Leave Donation Program

15.8 Any CSU employee who accrues vacation or sick leave credits may voluntarily donate either of those credits to any other CSU employee on the same campus, if the recipient employee has exhausted all accrued leave credits, i.e., sick leave, vacation and CTO, due to a catastrophic illness or injury, or whose principal place of residence has been impacted by a natural disaster/state of emergency. Catastrophic illness or injury is an illness or injury that has totally incapacitated the employee from work. Chronic conditions may also be considered catastrophic, even if the condition results in only intermittent absences. Conditions which are short term in nature, such as colds, flu, or minor injuries, are generally not deemed catastrophic. The campus must make a case-by-case determination.

The following provisions shall apply:

a. Catastrophic Illness or Injury

1. An employee, their representative or the employee's family member must request the employee's participation and provide appropriate verification of illness or injury as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definition provided above.
2. An incapacitated employee may elect to defer a request to participate during a period of Industrial Disability Leave eligibility.
3. Employees may donate a maximum of forty (40) hours leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.
4. Donated leave credits may be used to supplement each of the following: Industrial Disability Leave, Non-Industrial Disability Leave or Temporary Disability payments from the third party administrator, upon application for the appropriate disability benefit by an eligible employee. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.
5. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave within a twelve (12) month period. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.
6. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the disability.
7. Only vacation and sick leave credits may be donated.

8. Donated leave credits may not be used to receive service credit following a service or disability retirement.
9. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.
10. Catastrophic illness or injury may also include an incapacitated member of the employee's immediate family if this results in the employee being required to take time off for an extended period of time in order to care for the family member and the employee has exhausted both all of their accrued vacation credits and all of their accrued sick leave credits which may be used for family care in accordance with the appropriate collective bargaining agreement. Only donated vacation credits may be used for such family care catastrophic leave. Immediate family member shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining agreement covering the recipient employee.
11. The provisions of this program shall be subject to the grievance procedure contained in the collective bargaining agreement covering the grieving employee.

b. Natural Disaster and State of Emergency

1. Catastrophic leave for a natural disaster shall be leave for an employee who faces financial hardship because the employee has exhausted all of their accrued vacation credits; accrued sick leave credits; personal holiday credits; and C.T.O. credits; and is unable to work due to the effect of a natural disaster on the employee's principal residence.
2. The employee resides in one of the counties where a state of emergency exists as declared by the governor.
3. An employee, or their representative, must request the employee's participation and provide appropriate verification as determined by the campus President. The President shall then determine the employee's eligibility to receive donations based upon the definitions provided above.
4. Employees may donate a maximum of forty (40) hours leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.
5. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.

6. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave. The President may approve and additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.
7. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the natural disaster/state of emergency.
8. Only vacation and sick leave credits may be donated.
9. Donated leave credits may not be used to receive service credit following a service or disability retirement.
10. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.
11. Pledged leave credits will be formally transferred to the recipient employee only at the end of a pay period, and then in chronological order of the dates pledged. This will ensure that any unused leave credits are never actually transferred until they can in fact be used by the recipient employee. In the event that an employee is unable to use all pledged credits in a pay period, the most recently donated leave credits that cannot be utilized will then never formally be transferred, thereby guaranteeing that they are in no way lost by an employee who wants to donate them in order to help a co-worker who needs the credits.

Absences Chargeable to Sick Leave

- 15.9 The use of sick leave may be authorized by the Appropriate Administrator only when an employee is absent because of:
- a. illnesses, injury, or disability related to pregnancy;
 - b. exposure to contagious disease;
 - c. dental, eye, other physical or medical examinations or treatments by a licensed practitioner;
 - d. family care, meaning illness or injury in the immediate family. Up to ten (10) days of accrued sick leave credit may be used for family care during any one (1) calendar year. The Appropriate Administrator may authorize an additional five (5) days of accrued sick leave credit for family care during one (1) calendar year.

An employee may request the use of accrued sick leave credit for family care beyond the maximum set forth above. Such requests must be accompanied by a physician's statement or other appropriate need verification.

- e. death of a person in the immediate family.

Upon written request, the Appropriate Administrator may authorize the use of accrued sick leave for bereavement.

The granting or denial of such additional use of sick leave in provisions 15.9 (d) and (e) shall be the prerogative of the Appropriate Administrator and shall not be subject to Article 7, Grievance Procedure, but is subject to the terms of Article 8, Complaint Procedure, of this Agreement.

15.10 The President may direct an employee to take sick leave if the President determines that the employee has restricted ability to carry out their duties due to illness.

15.11 An employee may be required to undergo a medical examination as directed by the President to ascertain the employee's ability to perform their required duties. If such an examination is by the physician selected by the employer, the CSU shall bear the costs of such medical examination.

In cases where an employee has a written full medical release without restriction to return to work and the Appropriate Administrator believes that the employee is unable to perform the duties of the position, the Appropriate Administrator shall consult with the Human Resources Director. If the employee is unable to be at work while the decision is being reviewed, the employee must be placed on paid administrative leave.

15.12 Under no circumstances may an employee be granted sick leave for days during layoff periods or during a leave of absence without pay. An employee may not be granted sick leave during periods when the campus or department is closed unless the employee was on sick leave prior to the time of the campus or department closure.

15.13 A female employee on maternity leave pursuant to Article 16, Leaves of Absence Without Pay, shall be entitled to use earned sick leave for the period of time covering date of childbirth and immediate physical recovery there from. Earned sick leave shall be charged for workdays in such a period of time. Normally, fifteen (15) days of earned sick leave may be charged. A physician's verification of disability shall be required for the use of earned sick leave in excess of fifteen (15) days, pursuant to this provision.

15.14 The President may authorize unpaid leave of absence, the use of vacation or the use of CTO pursuant to Article 19, Overtime, for an employee who has exhausted accumulated sick leave.

Bereavement Leave

- 15.15 For each death of an immediate family member, as defined in Provision 15.1, upon request to the President, the employee shall be granted five (5) days leave with pay.
- 15.16 Upon request, bereavement leave may be supplemented with an employee's own leave credits.

Jury Duty

- 15.17 An employee who serves on jury duty shall receive their base salary and is permitted to keep any mileage payments made by the court. Employees are not entitled to juror pay for jury duty.
- 15.18 An hourly employee shall be eligible for time off with pay for jury duty only for those hours the employee was scheduled to work.
- 15.19 An employee who receives initial notification that they are subject to jury duty shall notify the Appropriate Administrator.
- 15.20 The employee is required to notify the Appropriate Administrator in writing prior to taking leave for jury duty. Verification of actual service for jury duty shall be provided by the employee when requested by the Appropriate Administrator.
- 15.21 Any full-time or part-time employee on any shift or work schedule shall be granted leave with pay for the actual time spent on jury service and grand jury service, including travel time to and from jury duty service, not to exceed the number of hours in the employee's normal work day and the employee's normal work week. If an employee's jury service is for more than 50% of their assigned work shift, employees do not need to report for work following the completion of jury service.
- Upon the request of the employee, the CSU shall accommodate a summons to jury duty service, including on-call jury duty service, with a change in shift assignment.

Leave to Vote

- 15.22 An employee who would otherwise be unable to vote outside of their regular working hours may be granted up to two (2) hours of work time without loss of pay to vote at a general, direct primary, special, or presidential primary election.
- An employee shall be required to request such leave time in writing from the Appropriate Administrator at least two (2) working days prior to the election.

Leave to Serve as Precinct Officer

- 15.23 The CSU shall approve leave, if it is available, for an employee to serve as a precinct officer for a state or local election, provided that campus operational needs are met. If such leave is denied due to campus operational needs, at the employee's request, the Appropriate Administrator shall explain to the employee the campus operational needs.

Absence as a Witness

- 15.24 Employees serving as court-subpoenaed witnesses or expert witnesses in the interest of the CSU shall seek the payment of witness fees. Whenever possible, employees shall confer with the attorney requesting their appearance to determine whether certified copies of appropriate documents would be suitable and would eliminate the need for a court appearance.
- 15.25 An employee who is absent as a court-subpoenaed witness or expert witness in the interest of the CSU shall be paid the normal salary for the corresponding period of absence. No portion of the employee's salary shall be forfeited as the result of such an appearance; however, all court fees (except personal travel and/or subsistence payments) shall be remitted to the CSU. If an exceptional circumstance occurs whereby the employee does not remit such fees, an amount equal to the fees shall be deducted from the employee's salary. No vacation or compensatory time off (CTO) shall be used in such cases.
- 15.26 An employee who receives court fees in excess of regular earnings may keep the excess and need remit only an amount equal to the compensation paid the employee while on leave. If the employee chooses to retain the entire fee, then the time taken off shall be charged as vacation or CTO, and if no vacation time or CTO is available, the employee shall be docked for the period of absence.
- 15.27 An employee (including hourly employees) serving as a court-subpoenaed witness on a holiday or while on vacation or on compensatory time off (CTO) shall serve on their own time.
- 15.28 An employee who is a party to a suit or who is an expert witness not serving in the interest of the CSU shall appear on their own time. The employee shall be charged vacation or CTO, and if no vacation time or CTO is available, the employee shall be docked for the period of absence.
- 15.29 An employee who is required to appear in court on behalf of the CSU at times outside of and not continuous with an employee's regular work schedule shall be compensated pursuant to the call-back pay requirements of Provisions 19.17-19.19 of this Agreement only if the employee is required to appear in court as a result of the exercise of their duties during working hours. Call-back pay under this provision shall not be provided to employees who are parties to a suit, who serve as court-subpoenaed witnesses, or who serve as expert witnesses unless they do so on behalf of the CSU and as a result of the exercise of their duties during working hours.

Military Leave

- 15.30 Emergency military leave, temporary military leave, and indefinite military leave shall be granted to eligible employees in accordance with state and federal law.

Supplement to Industrial Disability Leave (IDL)

- 15.31 Upon written notification to the CSU by an eligible employee, the employee may elect to supplement IDL payments with charges to their accrued sick leave. Such an election shall be made no later than fifteen (15) days after the report of the injury for which the IDL is being paid.
- 15.32 Such supplement shall continue until the employee has exhausted their accrued sick leave or until the employee provides to the CSU written notification that the employee wishes to discontinue the supplement. Such a notice shall be provided fifteen (15) days prior to the effective date of such a discontinuation.
- 15.33 Such a supplement to IDL payments shall not result in the employee receiving a payment in excess of their regular salary or wage.
- 15.34 All payments received by an employee while on IDL shall be subject to mandatory and authorized voluntary deductions.

Parental Leave

- 15.35 Parental Leave shall refer to a leave for the purpose of a parent preparing for the arrival of, or a parent or legal guardian caring for, a new child(ren), up to their eighteenth (18th) birthday, due to the birth, adoption, foster care assignment, or legal guardianship of the minor child(ren) with the employee.

An employee shall be entitled up to a maximum of thirty (30) workdays Parental Leave (as defined above, and subject to the requirements of Provisions 28.15-28.16) in a twelve (12) month period, with pay which shall commence within sixty (60) days of the arrival of a new child(ren). Such leave shall be taken consecutively, unless mutually-agreed otherwise by the employee and the Appropriate Administrator. Parental Leave is normally taken in daily increments. Such leave shall be in addition to available sick leave and to available vacation under Article 14. Paid Parental Leave runs concurrently with any other related leaves for which the employee is eligible.

In order for an employee to be entitled to parental leave, the employee must be employed with CSU prior to the birth or placement of a child(ren) with the employee.

Organ Donor and Bone Marrow Leave

- 15.36 Upon presentation of written verification that they are organ or bone marrow donors and there is a medical necessity for the donation, employees who have exhausted all available sick leave are eligible for the following leaves of absence with pay:
- a. A paid leave of absence not exceeding thirty (30) consecutive calendar days in any one-year period to any employee who is donating their organ to another person.

- b. A paid leave of absence not exceeding five consecutive calendar days in any one year period to any employee who is donating their bone marrow to another person.

ARTICLE 16

LEAVES OF ABSENCE WITHOUT PAY

- 16.1 A full-time employee or part-time permanent employee may be granted a full or partial leave of absence without pay for up to one (1) year for the following purposes/reasons:
- a. loan of an employee to another governmental agency;
 - b. family leave;
 - c. outside employment that would lessen the impact of a potential layoff or a layoff;
 - d. temporary incapacity due to illness or injury or periods of disability related to pregnancy;
 - e. student teaching, as required, for employees enrolled in credential programs;
 - f. other satisfactory reasons.

Leaves without pay granted for d. above shall also be subject to Article 15, Leaves of Absence With Pay.

- 16.2 A written application for a leave of absence without pay or an extension of a leave of absence without pay shall be submitted to the President. The President shall determine if such a leave shall be granted and the conditions of such a leave, and shall respond to the application within thirty (30) days.
- 16.3 An employee who is on a leave of absence without pay shall not return to active pay status prior to the expiration of such a leave without written approval of the President.
- 16.4 Service credit shall not be granted to an employee on a leave of absence without pay.
- 16.5 A leave so granted assures to the employee a right to return to the employee's former position or a position within the employee's classification upon expiration of the leave and the time lost shall not constitute a break in service.
- 16.6 When requested by the President, an employee granted a leave of absence without pay shall provide verification that the conditions of the leave were met.
- 16.7 An employee on a leave of absence without pay for more than thirty (30) days may opt to continue their fringe benefits at their own expense. Upon written request of an eligible employee as defined in Article 21, Benefits, the CSU shall provide a system for the continued payment of the employee's insurance premiums including health, dental and vision benefits during the period of an unpaid leave of absence. During this period, such an employee shall pay both the employee's and the CSU's

contributions. The CSU shall not advance such payments. Such an employee shall pay all contributions prior to the date each payment is due. Failure to pay such premiums will result in coverages lapsing unless the employee makes other arrangements.

- 16.8 Each campus will have a procedure for the processing of leave of absence requests which will not be subject to bargaining under HEERA. The procedure will address only the following points:
- a. The request must be submitted in writing;
 - b. The authorizations necessary for approval of the leave;
 - c. The time lines for each step of the authorization process;
 - d. The department that will respond to the employee on the employee's request for unpaid leave of absence;
 - e. The deadline for a response to be given to the employee; and,
 - f. The procedure for the employee to request an extension of the leave or to request to return prior to the scheduled end of the leave.
- 16.9 The granting or denial of leaves of absence without pay pursuant to Provisions 16.1 through 16.7 shall not be subject to Article 7, Grievance Procedure.
- 16.10 The leave of absence of a temporary employee eligible for such leave pursuant to this Article shall terminate upon the expiration of that employee's temporary appointment.

ARTICLE 17

- 17.1 An employee shall be informed as to the Appropriate Administrator to whom the employee shall be normally accountable. An employee may seek clarification of working instructions from such an Appropriate Administrator. Such clarification shall be provided in writing.
- 17.2 The Appropriate Administrator shall provide an employee with a copy of the employee's position description within one week of the employee's initial hire. After initial hire, upon the employee's request, the Appropriate Administrator shall provide the employee with a copy of the employee's position description if a current one is available. If a current one is not available, then the employee shall be provided with a copy of the employee's position description within thirty (30) days of their request. A copy of the position description signed by the employee shall be placed in the employee's official personnel file.
- 17.3 An employee may request, in writing, a meeting with the Appropriate Administrator to discuss a position description, reassignment, or work assignment. Such a meeting shall not be unreasonably denied.
- 17.4 If a position description is to be altered, the employee shall be provided with a copy of the altered position description at least seven (7) days prior to its effective date. The position description shall reflect the employee's responsibilities and duties assigned by the Appropriate Administrator and shall be consistent with the classification standard assigned to the employee's position.
- 17.5 Appropriate Administrators may occasionally perform Bargaining Unit work on a minimal basis for reasons which include, but are not limited to: instructing employees, emergencies, developing new methods and procedures, and safety.
- 17.6 Student assistants may be assigned duties as defined by HEERA, within the classification and qualification standards that are applicable to bargaining unit employees.
- 17.7 The CSU agrees to immediately meet and confer on the bargaining unit impact of Provisions 17.5 and 17.6 of this Article when it determines that there may be a need for implementation of any procedures in Article 24, Layoff. In the event of layoff, and, during the time any employee remains on a reemployment list, the number of student assistants' hours and the number of administrators in a department undergoing layoff shall not be increased for the purpose of performing bargaining unit work.

Permanent Reassignment

- 17.8 Employees may be reassigned to another position in the same classification and skill level as the employee's existing classification and skill level.

- 17.9 An employee shall be provided with written notice of permanent reassignment to another position fourteen (14) days prior to the effective date of such a reassignment. If the permanent reassignment is to or from a position at a satellite campus, the employee will receive thirty (30) days notice of such a reassignment. If more than one (1) employee requests an opportunity for reassignment to the same position, the Appropriate Administrator shall give consideration to seniority provided that operational needs are met.
- 17.10 An employee may request in writing a lateral reassignment to a posted position that is the same classification and skill level as the employee's existing classification and skill level. An employee reassigned under this provision shall be paid at least the same salary rate as that of their previous position.
- If more than one (1) employee requests an opportunity for reassignment to the same position, the Appropriate Administrator shall give consideration to seniority provided that operational needs are met.

Temporary Reassignment

- 17.11 The President may temporarily assign an employee to a position in a higher or lateral classification or temporarily reclassify an employee for the performance of duties in a higher classification. The President may temporarily effect an in-class progression for the performance of duties at a higher skill level in the same or a different position. Such a temporary assignment or temporary in-class progression may be for up to six (6) months, and shall be consistent with this Article and/or Article 22, Professional Development. Such an assignment may be extended beyond six (6) months, but for not longer than another twelve (12) months, by mutual agreement of the President and the employee. An employee shall be provided with written notice of such a temporary assignment of duties of another classification or temporary in-class progression at least seven (7) days prior to the effective date.
- 17.12 An employee shall begin to receive the appropriate compensation of the higher classification or skill level from the effective date specified on the written assignment for the performance of duties to a higher classification or skill level.
- 17.13 An employee serving in a temporary assignment of duties of another classification or temporary in-class progression shall be provided with a letter of verification of such service. A copy of such a verification letter shall be placed in the personnel file of the employee.
- 17.14 At the end of the temporary assignment of duties of another classification or temporary in-class progression, the employee shall be returned to the employee's permanent assignment with the same status as they would have had if they had not been granted such a temporary assignment or temporary in-class progression.

Classification Studies

- 17.15 When the CSU determines that a study to develop new classifications or to revise current classifications is necessary, the CSU shall notify the Union. Within thirty

(30) days of such notification, the Union may request to meet with the CSU to discuss the classification study. The Parties agree to meet and discuss the classification study within sixty (60) days of the University providing draft classification information to the Union. Such a meeting shall be held at the Office of the Chancellor, unless both parties agree to meet at a campus.

17.16 When the CSUEU believes that a study to develop new classifications or to revise current classifications is necessary, the Union may submit a written request and submit data in support of the request to the CSU. The parties agree to meet and discuss CSUEU's classification request within sixty (60) days of receiving the request.

17.17 The CSU shall notify the Union of the establishment of any new bargaining unit classification(s). The Union may, within thirty (30) days of such notification, request the University meet and confer on the impact of the implementation of any such newly established or revised bargaining unit classification(s). The Parties agree to meet within sixty (60) days of the request to meet and confer.

Outside Employment

17.18 Outside employment shall not conflict with the responsibilities and duties of the employee to the CSU.

ARTICLE 18

HOURS AND LOCATION OF WORK

Work Schedules – Non-Exempt Employees

- 18.1 Full-time employees in non-exempt classifications shall work a minimum workweek of forty (40) hours in a seven (7) day period or eighty (80) hours in a fourteen (14) day period.
- 18.2 The Appropriate Administrator shall determine the work schedule for an employee. An employee shall be provided with notification of a permanent work schedule change or a summer work schedule at least twenty-one (21) days prior to the effective date of the work schedule change. The Appropriate Administrator shall give consideration to employee seniority.
- 18.3 For those employees assigned a five (5) day workweek, the workday shall normally consist of eight (8) hours.
- 18.4 For non-exempt classifications, the full-time workweek is a workweek of forty (40) hours within seven (7) consecutive twenty-four (24) hour days. In accordance with the provisions of Article 19, employees may be required to work overtime hours as directed by the Appropriate Administrator.
- 18.5 Less than full-time employees shall be assigned hours pro rata and days of work as determined by the President.

Work Schedules – Exempt Employees

- 18.6 Exempt employees are expected to accomplish assigned work without regard for the number of hours worked. If exempt employees need to work extra hours in the business day or week, they do not receive overtime or CTO. When it is necessary for exempt employees to work extended hours, managers may authorize informal adjustments in work hours.
- 18.7 For exempt classifications, there are no fixed, minimum or maximum hours in a workday or workweek.
- 18.8 Exempt employees must be paid for the full week if any work is performed during that week, except under the following circumstances:
- a. Employees are not required to be paid for the entire week if an employee is absent for a full day and the absence is due to illness or injury. In this case, campuses are permitted to dock pay or use a wage replacement benefit such as earned sick leave (in full-day increments), a disability plan, and/or workers' compensation.
 - b. Employees are not required to be paid for the entire week if an employee is absent for a full day and the absence is due to personal reasons. In this case,

campuses are permitted to dock pay or use earned vacation/personal holiday leave in full-day increments.

- c. Docking pay is permitted in increments of less than a week, but at least one day, for disciplinary suspensions.
- d. Exempt employees' pay can be offset by amounts employees receive as witness fees or for military pay.
- e. Exempt employee's pay will be adjusted for unpaid leave under Articles 16 and 28 and for other full-day periods of non-compensable absence.
- f. Docks, leave and holiday pay are taken in whole day increments. However, earned leave credits may be taken in less than full-day increments only when an exempt employee is on family and medical leave (FML).

18.9 Exempt employees may be assigned to compressed or alternate work schedules.

Work Schedules for Exempt and Non-Exempt Employees

Normal Work Schedule

18.10 A normal work schedule will consist of a five (5) day workweek beginning on Monday and ending on Friday. The workweek shall consist of seven (7) consecutive twenty-four (24) hour periods beginning at 12:01 a.m. on Sunday and ending at 12:00 midnight the following Saturday.

Compressed and Alternate Work Schedules

18.11 An alternate work schedule will consist of a workweek beginning on a day other than Monday and may also constitute a compressed workweek.

An employee's manager may approve change requests to the alternate schedule after input from appropriate departments (e.g., Human Resources) on related impacts of the proposed change have been reviewed (e.g., timing, pay) and coordinated as appropriate. All schedule changes must be approved in advance. If an employee's request for a compressed or alternate work schedule is denied, the Appropriate Administrator shall, at the employee's request, provide a written explanation of the reasons for the denial.

18.12 Compressed workweeks are defined as the following schedules:

4/10: For those employees assigned a four (4) day workweek, the workday shall normally consist of four (4) consecutive days of ten (10) hours.

9/80: For those employees assigned a 9/80 work schedule, a schedule shall consist of nine (9) hour shifts on four (4) consecutive days during each calendar week plus an additional eight (8) hour shift every other week.

In calendar weeks in which the employee works the eight (8) hour shift, the eight (8) hour shift shall be worked on (1) the day following the fourth (4th) consecutive nine (9) hour workday or (2) on the day prior to the four (4) consecutive nine (9) hour workdays.

The President shall designate that the workweek period begins at the midpoint of the bi-weekly eight (8) hour day so that the first four (4) hours of the eight (8) hour shift shall fall within one workweek, and the last four (4) hours of the eight (8) hour shift shall fall within the next workweek. Accordingly, each workweek shall consist of forty (40) hours. An employee shall not be entitled to overtime pay unless the employee works in excess of the foregoing schedule.

The two possible schedules are:

Schedule A - Employee works a 9/80 schedule which consists of working nine (9) hour shifts each Monday through Thursday. Employee works every other Friday for eight (8) hours.

Schedule B - Employee works a 9/80 schedule which consists of working nine (9) hour shifts Tuesday through Friday. Employee works every other Monday for eight (8) hours.

3/12: For those employees assigned a 3/12 work schedule, a schedule shall consist of twelve (12) hour shifts on three (3) consecutive days during each calendar week plus an additional eight (8) hour shift every other week.

The President shall designate that the workweek period begins at the midpoint of the bi-weekly eight (8) hour day of each employee on the 3/12 work schedule so that the first four (4) hours of the eight (8) hour shift shall fall within one workweek, and the last four (4) hours of the eight (8) hour shift shall fall within the next workweek. Accordingly, each workweek shall consist of forty (40) hours. An employee shall not be entitled to overtime pay unless the employee works in excess of the foregoing schedule.

18.13 When compressed or alternate work schedules are deemed necessary by the Appropriate Administrator, work schedules may be mutually agreed to by the employee and the Appropriate Administrator. An employee who voluntarily participates will be required to remain in the compressed or alternate work schedule until removed from the schedule by their Appropriate Administrator.

When mutual agreement is not possible, the Appropriate Administrator shall assign employees to an alternate or compressed work schedule as follows:

- a. By the transfer of employees who were originally hired into positions which were posted with the proviso that it might require the employee to work alternate or compressed work schedules; or
- b. In reverse order of seniority for each affected classification.

Any employee with a compressed or alternate work schedule may request to be removed from the compressed or alternate work schedule. Removal from the compressed or alternate work schedule is subject to the approval of the employee's Appropriate Administrator. The Appropriate Administrator may request that the employee provide documentation in support of such a request.

Shift Change

- 18.14 When a department has a vacancy on a shift, current employees in the same classification in the same department on another shift shall be given first opportunity to request transfer to the shift with the vacancy. The decision to transfer the employee to the vacancy shall not be subject to Article 7, Grievance Procedure.

Employee Request for Work Schedule Change and/or Flexible Work Hours

- 18.15 An employee(s) may submit a written request to the Appropriate Administrator for a change in the work hours and/or workdays of the employee's work schedule. Such requests shall be submitted twenty-one (21) days prior to the requested effective date of the change.
- 18.16 If deemed necessary by the Appropriate Administrator or the employee, a meeting between the Appropriate Administrator and the employee shall be held to discuss the work schedule change request.
- 18.17 If a conflict in work schedule change requests arises, the Appropriate Administrator shall give consideration to the employee(s) with the most seniority provided that operational needs are met.
- 18.18 The Appropriate Administrator shall respond in writing to the employee regarding approval or denial of such request. If an employee's request for a work schedule change, including flexible work hours, is denied, the Appropriate Administrator shall, at the employee's request, provide a written explanation of the reasons for the denial.

Excess or Deficit Work Hours

- 18.19 The parties acknowledge that, due to the fluctuation in the number of days in a standard state pay period, non-exempt employees who work on alternate work schedules may either have excess or deficit work hours in any given pay period. The campus shall monitor balances on a monthly basis in order to reduce or eliminate deficit balances. All excess/deficit salary accounting issues shall be addressed pursuant to Human Resources Letter HR 2003-28 and its successor letters as appropriate. Per HR 2003-28, in the event that an employee(s) has a deficit balance in December, employees must choose to offset deficit balances by using available leave credits (vacation, compensatory time off (CTO), holiday credit, and/or personal holiday), being docked for deficits incurred in the current pay period, or establishing an account receivable for prior pay period deficit.

Meal Periods

- 18.20 An employee working more than five hours shall be entitled to a meal period of not less than thirty (30) minutes, and not more than sixty (60) minutes. The time of such meal period shall be scheduled by the Appropriate Administrator and shall be at or near the middle of the workday.
- 18.21 Meal periods shall not be considered time worked when all of the following conditions are met:
- a. meal periods are at least thirty (30) minutes in duration,
 - b. the employee is completely relieved of their duty, and
 - c. the employee is free to leave their work station if the employee so desires.
- 18.22 An employee who is required by an Appropriate Administrator to remain at the employee's workstation for the full shift shall be permitted to take a meal period, not to exceed thirty (30) minutes during work time. The meal period shall be paid and shall count as hours worked. In such case, the Appropriate Administrator may reduce the scheduled shift by the length of the meal period.

Rest Periods

- 18.23 An employee shall be allowed rest periods each workday of fifteen (15) minutes for each four (4) hours worked. Rest period schedules shall be determined by the Appropriate Administrator in accordance with the operational needs of the department. Rest periods shall be counted towards hours worked. When an employee is required to perform duties during a scheduled rest period, the Appropriate Administrator shall reschedule the rest period for that workday. Rest period time not taken shall not be cumulative.

Clean-up Time

- 18.24 When deemed necessary by the Appropriate Administrator, employees shall be permitted a clean-up period of up to ten (10) minutes as appropriate to perform personal washing and changing of clothes immediately prior to the end of their workday.
- 18.25 Employees who work in assignments that come into frequent contact with dirt, waste, biowaste, or toxic chemicals shall be granted clean-up time. Reasonable worktime shall be provided to an employee for the taking of showers when deemed necessary by the Appropriate Administrator.

Telecommuting

- 18.26 If a campus determines that telecommuting, as defined in Article 2, is in its best interest, then a written telecommuting policy shall be developed. The provisions of this policy shall include, but not be limited to, the following: eligibility for both position and employee selection, consideration of an employee's years of service

on campus, a work place hazards assessment, responsibility for equipment assignment, usage and maintenance, and business related costs.

Participation in telecommuting is at the discretion of the Appropriate Administrator. Telecommuting is only feasible for those job duties that can be performed away from the campus.

- a. Participation in voluntary telecommuting shall be based on a written agreement between the employee and Appropriate Administrator.

If an employee's request for telecommuting is denied, the Appropriate Administrator shall, at the employee's request, provide a written explanation of the reasons for the denial.

- b. Telecommuting may be required when it is determined by the CSU that operations would be better conducted remotely due to a bona fide emergency or other unforeseen or temporary circumstances that have disrupted or could disrupt normal campus operations. Such circumstances may include earthquakes, power outages, fire, flood, gas leak, building construction or demolition, acts of terrorism, pandemics, infectious disease outbreaks, and similar circumstances. The Appropriate Administrator will consider the employee's desires and ability to work remotely including equipment and home circumstances before requiring telecommuting.

When the University determines that telecommuting is required, it shall notify the employee in writing of the performance expectations, and expected duration of the assignment. As soon as practicable, the University will notify the Union of the required telecommuting and the nature of the circumstances.

Required telecommuting shall be limited in duration to the circumstances giving rise to the telecommuting, ordinarily no more than two (2) weeks. The Appropriate Administrator shall advise the employee of the expected date of return to campus.

An employee who needs additional equipment or supplies to telework, must discuss the issue with their Appropriate Administrator. If additional equipment or supplies are deemed necessary by the Appropriate Administrator, then the Appropriate Administrator shall do one or more of the following:

1. provide the necessary equipment or supplies; or
2. authorize employee expenditure and subsequent reimbursement for the necessary equipment or supplies; or
3. provide an alternate work location that has the necessary supplies and equipment.

Hours of work shall be consistent with the operational needs of the organization and other Article 18 provisions.

ARTICLE 19

OVERTIME

Overtime Compensation

19.1 Overtime is defined as authorized time worked in excess of forty (40) hours in a workweek of seven (7) consecutive twenty-four (24) hour periods.

For employees assigned to a five (5) day per week schedule of forty (40) hours or less or a 4/10 work schedule, the work week shall begin at 12:01 a.m. on Sunday and end at 12:00 midnight the following Saturday. For employees assigned to a 9/80 or a 3/12 work schedule, the work week shall begin at the midpoint of an employee's scheduled eight (8) hour day and end at the same time seven (7) consecutive twenty-four (24) hour periods later.

19.2 For the purposes of administering a 3/12 work schedule, overtime shall be defined as time worked in excess of eighty (80) hours within a fourteen (14) day schedule. The schedule period shall begin at 12:01 a.m. on Sunday and shall end at 12:00 midnight on the second succeeding Saturday.

19.3 Overtime shall be compensated in cash or in compensatory time off (CTO) as determined by the President and shall be paid only as provided in Appendix C of this Agreement, consistent with the provisions of the Fair Labor Standards Act (FLSA). The salary stipend (provisions 20.27-20.29) shall be included in base wages for determining compensation for overtime earned during the stipend period. Employees eligible to receive overtime shall be compensated at the rate of one and one-half times their hourly straight time rate.

19.4 Overtime shall be authorized and assigned by the Appropriate Administrator.

19.5 If, as the result of an overtime assignment, a non-exempt employee will not have an eight (8) hour rest period from the end of an overtime assignment until the beginning of the next regularly scheduled work shift, the employee may request to report to work at the completion of the eight (8) hour rest period. Prior to the assignment it shall be arranged between the employee and the Appropriate Administrator whether the employee may:

- a. Take the time off at the beginning of the next work shift; or
- b. Take the time off at the end of the shift; or
- c. Work the entire shift; or
- d. Change the employee's start time for that day until eight (8) hours after the completion of the overtime assignment and then working the number of hours the employee is normally scheduled to work.

If the employee takes the time off at the beginning or end of the shift pursuant to 19.5 (a) or (b) above, the employee has the option of using any accrued leave credits for the hours missed or taking off the hours missed as noncompensable time off the

clock and, therefore, reducing the number of hours worked pursuant to provision 19.1.

19.6 Paid holiday, paid sick leave, and paid vacation time shall be counted as time worked for purposes of this Article.

19.7 The only official methods for the computation and accumulation of overtime are those provided in this Article. All hours worked, including overtime, are to be reported monthly on the appropriate payroll forms.

The Appropriate Administrator shall endeavor to equalize the overtime work among all qualified employees in the appropriate classification who have expressed interest in overtime work. Advance notice of overtime opportunities shall be provided to all qualified employees whenever possible. An employee shall be required to work overtime if no qualified volunteer is available.

19.8 All employees shall be classified as either exempt or non-exempt for purposes of compliance with the FLSA requirements for payment of overtime or compensatory time off (CTO).

Compensatory Time Off (CTO)

19.9 Requests for scheduling CTO shall be submitted to the Appropriate Administrator at least seven (7) days in advance. CTO shall be scheduled and taken only as authorized by the Appropriate Administrator.

19.10 When possible, the scheduling of earned CTO shall be by mutual agreement of the employee and the Appropriate Administrator. Upon reasonable notice to the employee, the Appropriate Administrator may direct the employee to take earned CTO.

19.11 CTO should be taken within the year it is earned whenever possible. If an employee has been unable to take their CTO and has a CTO balance in excess of one hundred twenty (120) hours as of December 31, the employee shall be paid in cash for all hours in excess of one hundred twenty (120). Such payment shall be made by February 1 of each year.

19.12 Upon request of the employee, the Appropriate Administrator shall provide an accounting of the employee's CTO balance.

19.13 When an employee is separated from service, the employee is entitled to a lump-sum payment for any earned CTO by reason of previous overtime worked.

19.14 Overtime eligibility and overtime rates shall be by classification. Such eligibility and overtime rates by classification are listed in Appendix C and incorporated by reference.

Extended Work Hour Meal Allowance

19.15 When an employee is required to work two (2) or more hours before or after a regularly scheduled workday, the employee may claim the cost of each meal up to the maximum of fifteen (15) dollars. All claims for extended work hour meal reimbursements must be supported by a receipt and shall be submitted within thirty (30) calendar days. The time taken to consume the meal will not be included in the computation of extended work hours for the purpose of this allowance.

An employee shall not be required to interrupt their work to consume the extended work hour meal. Extended work hour meals may be taken before, after or during the extended work hour period. This provision shall not apply to employees receiving a per diem rate.

19.16 Overtime shall not include time spent in travel to and from the work site except as provided for in Article 22, Professional Development.

Call-Back

19.17 Call-back work is work performed at a time outside of and not continuous with an employee's regular work schedule. A non-exempt employee called back to work shall receive no less than three (3) hours pay at the overtime rate unless such call-back is within three (3) hours of the beginning of the employee's next shift, in which case the employee shall only be paid for the hours remaining before the beginning of the employee's next shift.

19.18 An employee may be called back to work at the discretion of the Appropriate Administrator. The Appropriate Administrator shall endeavor to assign call-back work on a volunteer basis. If no volunteers are available, or in an emergency situation, the employee who is called back shall be required to work.

19.19 When it is necessary for exempt employees to be called back to work, the Appropriate Administrator shall authorize informal adjustments in their work hours.

On-Call Time

19.20 On-call time is time outside of an employee's regular work schedule but during which an employee must be available to report to work if deemed necessary by the Appropriate Administrator. On-call time is not compensable. If an on-call employee is contacted by an Appropriate Administrator for the purpose of performing work, then Provisions 19.17 - 19.19 shall apply.

19.21 When the CSU determines that an employee shall be placed on call, the employee may use the employee's on-call time for the employee's own purposes, subject to the employee being reachable by leaving a telephone and/or text number where the employee can be contacted while on call. If contacted by the Appropriate Administrator, the employee shall report to work within a reasonable period of time. On call assignments shall not be unreasonably assigned.

ARTICLE 20

SALARY

- 20.1 The salary schedule for bargaining unit employees in Units 2, 5, 7, and 9 shall be found in Appendix E and incorporated in this Agreement by reference.
- 20.2 An employee shall be assigned a salary rate within the salary range or sub-range appropriate to the employee's classification. The salary range or sub-range for each classification shall include a minimum salary rate and maximum salary rate. The Service Salary Increase (SSI) maximum rate shall be eliminated.
- 20.3 Employee compensation programs, including the General Salary Increase (GSI), the Merit Salary Increase (MSI), and the Market Salary Adjustment (MSA), shall be implemented only in fiscal years in which the parties expressly agree to such programs or agree to provide increases in such programs.

General Salary Increase

- 20.4 All employees in the bargaining unit shall receive a General Salary Increase (GSI) as follows:

- a. For fiscal year 2022/2023, effective July 1, 2022, all bargaining unit employees in active pay status (or on leave) as of that date shall receive a General Salary Increase (GSI) of seven percent (7%).

Employees will be eligible for an additional one percent (1%) for a total of eight percent (8%), depending on the State budget allocation to the CSU.

A calculation will be conducted based on the State of California's final Budget Act of 2022, which has an expected enactment date between June 27, 2022, and September 30, 2022. This calculation will determine the new, unallocated, ongoing funding for the CSU from the State.

If the new, unallocated, ongoing funding from the State for fiscal year 2022/2023 is increased to \$300,000,000 or more, then a one percent (1%) GSI will be added to the seven percent (7%) increase set forth above for a total of an eight percent (8%) increase effective July 1, 2022.

- b. For fiscal year 2023/2024, the Union shall have the option to re-open negotiations on Article 20 and Article 21 (Salary and Benefits) by providing a written request to the CSU after the Governor has released the 2023/2024 May Revision, but prior to July 31, 2023.
- c. If the parties cannot reach an agreement regarding the 2023/24 reopener and after the parties complete the statutory impasse procedures under HEERA, Article 6 (Concerted Activities) shall be suspended.

Salary scale maximums and minimums for all classifications shall be increased by the amount of the General Salary Increases. These changes will be effective as of the date of the General Salary Increase in each fiscal year of this Agreement.

Upon ratification of this Agreement, CSU will work with the State Controller's Office to undertake the processing necessary to implement the terms of this Agreement in as timely a manner as possible.

Recognition Bonus

20.5 A one-time payment of \$3,500 shall be provide to each bargaining unit employee with a 1.0 timebase or greater who is in active pay status (or on leave) as of the date of ratification of this agreement. Payments will be pro-rated for employees who are less than a 1.0 timebase on the date of ratification. For hourly intermittent employees, the formula for determining the pro-rata amount is as follows:

- Determining the FTE: The total number of hours worked by the employee for the six pay periods prior to the date of ratification divided by the number of total work hours in the six-month period of time = FTE for six-month period.
- Determining the Payment Amount: The \$3500 one-time payment is then pro-rated based on the FTE determined by the formula above.

Rehired annuitants are not eligible for the one-time payment pursuant to California Government Code 21224 and CalPERS determination of the law.

Shift Differential

20.6 An eligible employee who is assigned by the Appropriate Administrator to work and works four (4) or more hours between 6 p.m. and midnight (exclusive of overtime) shall be paid a shift differential of one dollar and thirty-five cents (\$1.35) per hour for the employee's entire shift.

20.7 An eligible employee who is assigned by the Appropriate Administrator to work and works four (4) or more hours between midnight and 6 a.m. (exclusive of overtime) shall be paid a shift differential of two dollars and thirty cents (\$2.30) per hour for the employee's entire shift.

20.8 An eligible employee who is assigned by the Appropriate Administrator to work and works a shift that begins between 6 p.m. and midnight and continues for at least four (4) hours beyond midnight shall be paid a shift differential in accordance with provision 20.7. Such hours shall be exclusive of overtime.

20.9 An eligible employee who is assigned by the Appropriate Administrator to work and works a shift that includes hours between 6 p.m. and 6 a.m. but is not assigned enough hours to qualify for the shift differential described in provisions 20.6, 20.7, or 20.8 above shall receive:

- a. A shift differential of one dollar and thirty-five cents (\$1.35) per hour for all hours worked between 6 p.m. and midnight.
- b. A shift differential of two dollars and thirty cents (\$2.30) per hour for all hours worked between midnight and 6 a.m.

20.10 All non-exempt employees who are assigned by the Appropriate Administrator to work and works a shift as defined in provisions 20.6, 20.7 and 20.8 are eligible to receive a shift differential.

20.11 Employees regularly assigned by the Appropriate Administrator to work a shift eligible for shift differential shall receive the shift differential while on vacation, sick leave, holidays, and other paid time off.

Pay Plans

20.12 Probationary, permanent, and temporary employees with an appointment in 12 month increments shall be eligible to request participation in the 10/12 or 11/12 pay plan. The assignment of an eligible employee into the 10/12 or 11/12 pay plan and the yearly schedule shall be by mutual agreement of the Appropriate Administrator and the employee. Employees shall have the ability to request participation in the 10/12 or 11/12 pay plan for a period of twelve consecutive (12) months, with a right to return to the 12/12 plan, if specified in that request to participate. Employees can request to renew an appointment to the 10/12 pay plan or 11/12 pay plan on an annual basis. Final approval by the President is required prior to employee participation in the 10/12 or 11/12 pay plan.

20.13 A 10/12 or 11/12 pay plan yearly schedule shall provide that the appropriate period of time in work status and non-work status shall be scheduled within one (1) year.

20.14 A yearly schedule for an employee in the 10/12 pay plan program shall normally be five (5) consecutive pay periods in work status, followed by one (1) pay period in non-work status, or ten (10) consecutive pay periods in work status, followed by two (2) consecutive pay periods in non-work status. A yearly schedule for an employee in the 11/12 pay plan program shall normally be eleven (11) consecutive pay periods in work status followed by one (1) pay period in non-work status.

20.15 Variations of a normal yearly schedule may be approved by the President, except that a variation of a normal yearly schedule shall not provide for a period of time in non-work status that requires advance payment of salary. Variations may include, but shall not be limited to, a movement from work status to non-work status at times other than the beginning of a pay period or patterns other than the normal yearly schedule, such as "6-1:4-1" or "7-1:3-1." Some variations of a normal yearly schedule may require delayed adjustments in salary payments.

20.16 Withdrawal from participation in the 10/12 or 11/12 pay plan and return to a twelve (12) month annual work year may be requested by an employee in accordance with campus procedures. The Appropriate Administrator may request an employee on the 10/12 or 11/12 pay plan return to a twelve (12) month annual work year. In both instances, the employee and the Appropriate Administrator shall attempt to reach

mutual agreement regarding the request. In the absence of mutual agreement, the President shall make a final determination as to the approval or denial of such requests. The President may return an employee to a twelve (12) month annual work year. When the employee's request to return to a twelve (12) month annual work year is approved, the employee shall be returned to the twelve (12) month annual work year within three (3) months of the approval. When the University determines the employee should be returned to a twelve (12) month annual work year, the employee shall be provided written notice three (3) months prior to such a return.

- 20.17 An employee participating in the 10/12 or 11/12 pay plan shall receive their (10 month or 11 month) annual salary in twelve (12) salary warrants and appropriate benefits on a twelve (12) month basis.
- 20.18 An employee on the 10/12 or 11/12 pay plan shall accrue sick leave, vacation, and seniority during the full twelve (12) month period. An employee on the 10/12 or 11/12 pay plan who is not in work status on the day a holiday is officially observed shall not be entitled to the holiday.
- 20.19 Ten (10) or eleven (11) months of service by an employee in the 10/12 or 11/12 pay plan shall constitute one (1) year of service for employment status matters, Merit Salary Increase, and retirement.
- 20.20 Approval or denial by the President of employee requests pursuant to provisions 20.12 and 20.16 shall be based on operational need and shall not be unreasonably denied. This provision shall not be subject to the Grievance Procedure.
- 20.21 Employees in classifications listed in Appendix A as 10-month employees may request conversion to the 10/12 Pay Plan.

Merit Salary Increase

- 20.22
- a. A Merit Salary Increase (MSI) is movement within a salary range, or one-time bonus per provision 20.22(e), based upon an overall annual job performance rating of satisfactory, its equivalent, or better. An overall rating is a comprehensive rating based on a review of all performance categories.
 - b. Employees with an overall rating below satisfactory, or its equivalent, or less than twelve (12) months of campus service as of July 1 of the effective year, shall not be eligible. An MSI shall be based upon the most recent fiscal year performance evaluation or the most recent annual performance evaluation in accordance with campus policy.
 - c. Each employee shall receive a performance evaluation in accordance with Article 10, Employee Performance. This procedure does not require campuses to modify existing performance evaluation forms unless existing forms do not have an overall rating. In such cases an overall rating must be determined and added or attached to the performance evaluation form. Existing annual performance evaluations and overall ratings contained in the official personnel file shall remain unchanged except with the addition of an overall

rating where none exists. No employee's overall performance rating shall be changed after it has been presented to the employee for signature.

- d. An employee whose performance has been rated overall as satisfactory, or its equivalent, shall receive an increase to the base salary, and/or a one-time bonus per provision 20.22(e). An employee whose performance has been rated overall as above satisfactory shall receive an increase in excess of the amount of the increase awarded to satisfactory performance. The amount of increase and/or bonus shall be determined by the President, the President's designee or other Appropriate Administrator. All CSUEU-represented employees rated at the same level of overall performance on the same campus shall receive the same amount of increase, rounded to the nearest whole dollar. This increase shall be an increase to the employee's base salary, except for those employees at the top of the salary range as described in provision 20.22(e). In no event shall an MSI increase cause an employee's salary rate to exceed the maximum of the range.
- e. In cases where a bargaining unit employee has reached the top of the classification salary range or sub-range in the salary schedule in Appendix E, the amount of increase for an MSI shall be only in the form of a lump sum bonus based on the annual gross earnings and shall not be an increase to the base salary.
- f. Funds shall be proportionally allocated to individual campuses based upon the salary base of CSUEU-represented employees on each campus. MSI total settlement cost funds may be augmented with campus funds. The effective date for an MSI shall be July 1 of the fiscal year. To be eligible, an employee must be on the payroll as of July 1 of the fiscal year and actively employed at the time the awards are distributed. An MSI provided with campus funds may be effective at any time.
- g. Funds allocated to the MSI program on a campus shall be distributed on a pro-rata basis, by CSUEU bargaining unit, so that each unit receives the same pool of funds when measured by a percentage of salary increase.
- h. The decision of the President, the President's designee, or other Appropriate Administrator as to who is to receive an MSI and the amount for each performance rating level of the MSI shall not be subject to Article 7, Grievance Procedure. Performance evaluations shall not be subject to Article 7, Grievance Procedure, unless the grievant alleges the procedures in the provisions of Article 10 or this Section have been violated, misinterpreted, or misapplied.

Bonus Plans

20.23

A bonus is a lump sum payment that is not a permanent increase to the base salary of the individual and may be granted at the discretion of the President. A bonus may be awarded at any time and may be used for a variety of salary adjustments including, but not limited to the following:

- a. Performance recognition of a bargaining unit employee shall be in the form of a bonus, in the case of bargaining unit members who have reached the top of their classification salary range or sub-range in the salary schedule in Appendix E. These bonuses shall be from campus funds. Prior to issuing any bonus awards under this section, the performance criteria must be written and made known to employees prior to the performance period.

- c. A retention bonus may be awarded to an employee for staying with the CSU and who is in a position in a classification that is critical to the ongoing operations of the CSU, or is in short supply in the labor market, and/or is a difficult to recruit for classification. - d. A critical skills bonus may be awarded to an employee who possesses and uses skills that are necessary and critical to the ongoing operations of the CSU. The employee must be actively using the skills in order to receive the bonus.
- e. An individual or group performance bonus may be awarded for exceptional performance and/or in recognition of additional workload. Prior to issuing an award under this provision, the performance criteria must be written and made known to employees prior to the performance period.
- f. The decision of the President, made in accordance with this provision, regarding the award of a bonus shall be final and shall not be subject to Article 7, Grievance Procedure.
- g. The bonuses in sub-provisions (a) through (e) shall be campus funded.

20.24 For non-exempt employees, all bonus awards must be based on a percentage of the annual gross salary.

In-Range Progression

- 20.25
- a. An increase within a salary range for a single classification or within a sub-range of a classification with skill levels is referred to as an In-Range Progression. When the President, the President's designee, or Appropriate Administrator determines that an in-range progression should occur, the salary shall increase by at least three percent (3.0%).
 - b. An in-range progression may be granted for reasons that include, but are not limited to:
 - Assigned application of new or enhanced skill(s);

- Retention;
 - Equity;
 - Performance;
 - Out-of-classification work that does not warrant a reclassification;
 - Increased workload;
 - New lead work or new project coordination functions given to an employee on an on-going basis by an Appropriate Administrator where the classification standard/series do not specifically list lead work as a typical duty or responsibility; and,
 - Other salary related criteria.
- c. Where an employee has been notified in writing that the employee's in-range progression was denied solely due to a lack of funds, upon the employee's request, the employee's in-range progression application shall be re-evaluated in the following fiscal year.
- d. A request for an in-range progression review may be submitted by the employee or manager. A management initiated request for an in-range progression may cover more than one employee. Employee initiated in-range progression requests shall be submitted to the Appropriate Administrator before being forwarded to Human Resources. An employee shall not submit a request for an in-range progression prior to twelve (12) months following receipt of a response to any prior in-range progression requests. If an administrator has not forwarded the request to Human Resources within thirty (30) days, the employee can file the request directly with Human Resources.
- e. In-range progression review of employee requests shall be completed within ninety (90) days after the request is received in Human Resources. If an employee receives a denial of request for an In-range Progression under this Article, then the campus shall provide the employee with a written reason for the denial.
- f. Each campus shall develop guidelines and procedures for an in-range progression consistent with this Article.

The decision of the President, made in accordance with this provision, regarding the award of an in-range progression shall be final and shall not be subject to either Article 7, Grievance Procedure or Article 8, Complaint Procedure.

- g. Funds for in-range progression may come from campus funds, and/or total settlement costs resulting from bargaining between the parties on salary matters.

Salaries for Classifications with Skill Levels and Sub-ranges

- 20.26 The following provisions shall apply to employees appointed or assigned to classifications with skill levels and sub-ranges:
- a. Within each salary range for such a classification, sub-ranges with specified minimum and maximum rates are defined for each skill level.
 - b. Employees shall be appointed or assigned by the President to a salary within a sub-range for the applicable skill level within the classification based on the requirements of the position and an assessment of the employee's qualifications and skills by the President. This provision shall not be subject to the grievance procedure.

Salary Stipends

- 20.27 An employee shall receive a monthly salary stipend when assigned by an Appropriate Administrator to temporary project coordination or lead work functions. These supplemental work assignments are to be made in writing and must have a specific beginning and ending date.
- 20.28 At the decision of the Campus President or designee, an employee may receive a monthly stipend when (1) assigned, for a limited period of time, additional work or special projects over and above their regularly assigned duties or (2) required to maintain contact with their campus outside of their normal working hours on a regular basis. Remote contact shall include telephone, pager, cell phone, wireless data access device, remote monitoring of any hardware or software device, and/or email notification regarding the status of a campus system.
- 20.29 The following provisions shall apply to the awarding of a stipend under provision 20.27 and 20.28, above:
- a. The stipend is paid on a month to month basis for the duration of the work assignment.

Red Circle Rates

- 20.30 A red circle rate is a salary rate above the maximum of the salary range for a class or sub-range for a skill level which may be granted by the President when an employee moves to a class or skill level with a lower salary range.

- 20.31 An employee whose class is abolished and who moves to a class or skill level with a lower salary range as a result of implementation of a new classification shall be granted a red circle rate.
- 20.32 If a red circle rate is granted, the employee shall retain the salary currently being paid (or a lesser salary rate up to twenty-five percent (25%) above the maximum salary rate of the lower class or skill level) and shall remain at that salary rate until the maximum salary rate of the lower class or skill level equals or exceeds the red circle salary rate or until the authorized time period for maintaining the red circle salary rate expires, whichever occurs first.
- 20.33 During the period of time an employee's salary remains above the maximum salary rate for the class, the employee shall not receive further salary increases, including, Market Salary Adjustments, Merit Salary Increases or General Salary Increases, except in cases of promotion while on a red circle rate.

- 20.35 Red circle rates shall not be authorized for an employee when:
- a. an employee, for personal convenience, requests voluntary demotion;
 - b. an employee is demoted for cause other than for medical reasons or disability accommodation. When an employee is demoted for medical reasons or disability accommodation a red circle rate shall be granted.
- 20.36 An employee who was compensated at a salary rate above the maximum prior to a permanent separation will not be entitled to a red circle rate upon the employee's return to work. Also, the authorization for a red circle rate shall be canceled if the employee refuses two (2) bona fide offers of appointment to a position at the campus in a class or skill level in the same occupational group, at the same timebase and at a salary level equivalent to the original class or skill level from which the employee was moved.

Emergency Pay

- 20.37 When the President has declared a state of emergency at a campus, in exchange for the performance of emergency work by bargaining unit employees outside of their normal assignment, and at a time when those employees would, subject to the approval of the University, otherwise have been able to use administrative leave, the following emergency pay will be provided.

Non-exempt personnel required to return to or remain at work shall receive emergency pay of an additional one-half (½) hour for each hour worked up to forty (40) hours per week. Hours worked in addition to forty (40) hours per week shall be paid at time and one-half (the inclusion of the phrase "an additional" is for the purpose of clarification only).

An exempt employee who is required to work on a day or days declared as a state of emergency at a campus, who would otherwise have been able to use administrative leave, shall receive equivalent informal time off at such time(s) as agreed upon by the employee and the Appropriate Administrator.

If the Appropriate Administrator and the payroll supervisor agree that an underpayment has occurred, they shall immediately notify the affected employee and issue a check for the full amount of the underpayment as soon as practicable, but no later than thirty (30) days after the employee submitted the memorandum to the immediate supervisor. This provision shall not preclude other CSUEU bargaining unit employees from serving on the Plant Operations Safety Committee when appointed by means other than those provided in this provision. Committee members may place items related to health and safety on the agenda for such committee meetings. Recommendations and suggestions regarding safety as submitted in accordance with Provision 23.6 are appropriate as an agenda item for such committee meetings.
- 23.11 Upon the Union's written request, the Employer shall furnish within the requirement of the law all relevant and necessary health and safety documents in its possession. Where available, other similar information, such as an Injury and Illness Prevention Program, shall be provided to the Union or an employee, upon written request and within the requirements of the law.
- 23.12 New employees shall be provided safety training within sixty (60) days of employment. As deemed necessary by the President and/or required by Cal-OSHA regulations or final determinations, the CSU shall provide safety training and instruction to minimize illness or injury to employees.

ARTICLE 24

LAYOFF

24.1 The President may consider alternative programs to mitigate layoffs prior to implementation of the procedures in this Article. If the President determines such a program is appropriate, the CSU will immediately notify the Union.

Determination

24.2 A layoff shall refer to an involuntary separation, involuntary reduction in an employee's timebase, or an involuntary pay plan change, because of a lack of work or lack of funds. Non-reappointment of a temporary employee does not constitute a layoff.

24.3 On a campus when the CSU determines that a layoff is necessary because of a lack of work or lack of funds, the following procedures shall apply.

Union Notice

24.4 When the CSU determines that there is a need for implementation of any procedures outlined in this Article, the CSU agrees to immediately notify the Union. The Union may submit a written request to the Office of the Chancellor to meet and confer with the Union on the bargaining unit impact.

Order of Layoff

24.5 Layoff shall be within classifications determined by the President. For classifications with skill levels, layoff shall be within skill level determined by the President. Twelve (12) month, 11/12 month, 10/12 month and academic year positions with the same class title shall, for the purposes of layoff, be considered a single classification. The order of layoff shall be:

- a. first, temporary, and probationary employees; and
- b. last, permanent employees.

Temporary and probationary employees in a classification or skill level within a classification shall be separated or laid off before permanent employees in the same classification or skill level within the classification.

Temporary and Probationary Employees

24.6 The President shall establish the order of layoff for temporary and probationary employees in a classification or in a skill level within a classification by considering only merit and competency in relation to program need.

Permanent Employees

- 24.7 The President shall establish the order of layoff for permanent employees by classification and/or skill level within a classification in reverse order of seniority.
- 24.8 An employee who possesses documentable specialized skills that are needed for the program, not possessed by other employees in classification(s) or skill levels within classifications undergoing layoff may be excluded by the President from the layoff list.

Employee Notice of Layoff

- 24.9 An employee’s status at the time of layoff notice shall determine the minimum required notice period (days) as shown in the chart below.

	<u>Lack of funds</u>	Lack of work
Permanent	60	90
Probationary	45	45
Temporary	45	45

- 24.10 Notice of a layoff should be in-person, which includes virtual, and will be accompanied by a written notice (via hand or electronic delivery). A Proof of Service shall then be completed and retained by the campus.

When a campus determines an in-person meeting is not practicable, notice shall be mailed with tracking to the employee’s last known address.

Reassignment to Vacancies

- 24.11 A permanent employee who has received a notice of layoff may exercise their right to elect transfer to any vacancy for which the employee is currently qualified. Such qualification shall be determined in the normal manner. When two (2) or more such permanent employees elect transfer to the same vacancy in accordance with this provision, the President may select the employee to be transferred on the basis of merit.

Retreat Rights

- 24.12 A permanent or probationary employee who has received a notice of layoff may elect to return to any classification, or skill level within a classification, in which the employee has served as a permanent employee during the period preceding the layoff, provided there has been no break in service.
- 24.13 If an employee elects to return to a classification, or skill level within a classification, in which the employee previously served as a permanent employee, their salary shall be red circled in accordance with the red circle rate provisions in Article 20, Salary, for the period of time the employee is on the reemployment list as outlined in 24.29. At the expiration of the five (5) year period, if the employee has not returned to a position in the same classification, or skill level within a classification, held at the time of layoff and at the same timebase as previously held,

the employee's salary may be reduced to the maximum salary range or sub-range of the classification that he or she is returning to, provided that such salary is not greater than the salary they received at the time of the layoff.

- 24.14 A permanent employee appointed to a bargaining unit position at the Chancellor's Office prior to July 1, 2012 who has received a layoff notice shall have retreat rights to the employee's former campus if they had gained permanency at that campus. Such retreat rights exist only if the employee's appointment at the Chancellor's Office was immediately after separation from the campus.
- 24.15 In order to elect to return to a previously held classification and/or skill level within a classification, the employee must notify the campus Human Resources Office in writing of the employee's election not later than thirty (30) days after receiving the notice of layoff.
- 24.16 An employee replaced by the demotion or transfer of an employee who has received a notice of layoff shall have the same rights as outlined in 24.10 to 24.12 above of this Article.

Computation of Seniority Points for Permanent Employees

- 24.17 All seniority points calculated for and earned by permanent employees prior to June 30, 1983, shall remain unchanged. Such seniority points shall serve as the base to which additional seniority points, computed for and earned pursuant to the terms of this Agreement, shall be added. Seniority points for each campus shall be calculated by the campus and provided to the Union upon written request at the same time the CSU notifies the Union that there is a need for implementation of any procedures outlined in this Article.
- 24.18 Full-time permanent employees shall earn one (1) seniority point of service credit in a given class, or skill level within a class, for each qualifying month of employment. Part-time employees holding permanent status shall earn seniority points proportional to the timebase served.
- 24.19 For the purpose of computing permanent employee seniority credit, length of service includes continuous time served as a temporary, probationary or permanent employee and is counted from the date of appointment to the current class held, or current skill level held within the classification, consistent with Provision 24.19 below, plus any service in all classes or skill levels of equal or higher rank on the campus, including time spent in non-CSUEU classifications, which has not been interrupted by a permanent separation. Seniority points roll down when retreating to lower level classifications; seniority points do not roll up to higher level classifications.
- 24.20 Seniority credit is counted from the first calendar month of appointment to the current classification, or skill level within a classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.21), if the appointment or return date is on or before the fifteenth (15th) calendar day of that month. Seniority credit is counted from the second calendar month of appointment to the current classification or skill level

within a classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.21), if the appointment or return date in the first calendar month is after the fifteenth (15th) calendar day in that month.

- 24.21 Seniority credit upon separation from a classification, or from a skill level within a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.21), shall terminate effective the end of the calendar month preceding the date of separation or leave if the date of separation is on or before the fifteenth (15th) calendar day of the month of separation. Seniority credit upon separation from a classification, or from a skill level within a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to Provision 24.21), shall extend until the end of the calendar month of separation or leave if the date of separation is after the fifteenth (15th) calendar day of the month of separation.
- 24.22 All time spent in family care, military, disability, loan of an employee to another governmental agency or leave with pay status shall count toward the accumulation of seniority points. All other time spent in leave without pay status, as well as periods of suspension without pay, shall not count toward the accumulation of seniority points, however, such time shall not constitute a break in continuous service.
- 24.23 For all permanent ten (10) month employees, one (1) point shall be credited for each month of the ten (10) months of employment. Those full-time, permanent employees participating in the 10/12, 11/12 or academic pay plan shall receive one (1) point of credited service for each of the twelve (12) months.
- 24.24 In no case shall a permanent employee earn more than twelve (12) seniority points per year.
- 24.25 In the event a class is abolished or the use of the class restricted and a new class established in its place, all time served in the prior comparable class shall be counted as service in the new classification.
- 24.26 The term "class of equal rank" as used in this Article shall mean a class, or skill level within a class, which has a maximum salary of not more than one-half ($\frac{1}{2}$) step or approximately two and one-half percent ($2\frac{1}{2}\%$) above or below the maximum salary of the employee's current class, or skill level within a class.
- 24.27 The term "class of higher rank" as used in this Article shall mean a class, or skill level within a class, which has a maximum salary of more than one-half ($\frac{1}{2}$) step or approximately two and one-half percent ($2\frac{1}{2}\%$) above the maximum salary of the employee's current class, or skill level within a class.

Tie-Breaking in the Order of Layoff

- 24.28 A tie exists when two (2) or more permanent employees in a classification, or skill level within a classification, undergoing layoff have the same number of seniority points.
- 24.29 The President shall break ties in establishing the layoff order of permanent employees by considering only the following factors:
- a. specialized skills and competencies of the employee;
 - b. documented meritorious service by the employee; and
 - c. If the President is unable to break the tie based on a & b above, the following method will be used:
 1. In comparing [CSU Employee Identification Numbers], the employee with the lowest last digit remains.
 2. If a tie still exists, the employee with the lowest second to last digit remains.
 3. This process continues until the tie no longer exists.

Reemployment Rights/Opportunities

- 24.30 The President shall enter the names of laid-off permanent employees (including probationary employees who obtain permanent status after notice of layoff but prior to separation) on a reemployment list by class, or by skill level within a classification, in order of seniority. An employee's name shall remain on the reemployment list until they return to a position in the same class, or skill level within a classification, held at the time of layoff and at the same timebase as previously held. In no case shall a name remain on the reemployment list for more than five (5) years.
- 24.31 The following process will be used to offer reemployment:
- a. The campus will contact the employee by telephone and email to offer the employee reemployment.
 - b. If the employee has not accepted or declined the offer of reemployment within two (2) business days, then the campus will mail the offer to the employee's last known mailing address.
 - c. The employee has fourteen (14) days from date of the first telephone call and email to accept or decline the offer of reemployment.
 - d. If the employee fails to respond within the fourteen (14) day period, the offer will be considered declined.

The employee is responsible for keeping their contact information up to date with the Human Resources Office.

- 24.32 Position vacancies in a class, or skill level within a classification, for which there are names of qualified individuals on the reemployment list shall not be filled without first making an offer of reemployment to those on this list. If an individual on the reemployment list declines two (2) such offers, the individual waives their reemployment rights. An individual on a reemployment list may request inactive status for up to one (1) year.
- 24.33 To mitigate the impact of layoff, laid off employees on the reemployment list may elect to be placed on a separate list to be called for temporary and/or intermittent appointments for which they are qualified. Laid off employees on this list shall have the right of first refusal for vacant and available temporary and/or intermittent appointments for which they are qualified. The offer, acceptance or refusal of work under this provision does not constitute an offer of employment under Article 24.30.
- 24.34 An employee reemployed under the conditions of this Article shall retain permanent status rights, service credit (subject to Public Employees' Retirement System (PERS) regulations), salary steps, sick leave, and seniority credits they held at the date of layoff.
- 24.35 The CSU shall post all bargaining unit vacancies at all CSU campuses to the CSU Careers Website (<http://csucareers.calstate.edu>). A campus may not fill a vacancy without ascertaining whether there are individuals in the applicant pool who hold reemployment rights under Provision 24.29. If such an employee has applied for a vacancy, their application shall be considered.

Voluntary Programs to Avoid Layoff

- 24.36 After notice of a layoff has been made to the union, the parties will meet and confer over potential available voluntary programs.
- 24.37 Such programs may include, but not be limited to:
- a. a voluntary reduced worktime program;

A voluntary reduced worktime program may reduce the time worked by an employee within the workweek or within the work year. The 10/12 or 11/12 pay plan as provided for in this Agreement shall be considered a voluntary reduced worktime program. Prior to a layoff, the President shall extend the provisions of the 10/12 or 11/12 pay plan (Article 20, Salary, Provisions 20.12 through 20.21) to employees in classifications undergoing layoff and may extend the provisions of the 10/12 or 11/12 pay plan to employees in classifications not otherwise eligible.
 - b. leaves of absence without pay in accordance with Article 16, Leaves of Absence Without Pay, of this Agreement.

24.38

An employee who has been laid off and placed on the reemployment list may be eligible to participate in the fee waiver program as described in Provisions 22.34 through 22.44 of Article 22 for the duration of the time that the employee is on the reemployment list. In order to participate in the program, the employee shall have or shall initiate a career development/job related plan through the Human Resources Office and shall meet all applicable fee waiver requirements. This benefit is for the use of the laid off employee only and is not transferable. A benefit already transferred remains transferred until the end of the academic term.

ARTICLE 25

NON-DISCRIMINATION

Non-Discrimination

- 25.1 The CSU prohibits discrimination on the basis of age, ancestry, color, disability, ethnicity, gender, gender expression, gender identity, genetic information, marital status, medical condition, military status, nationality, pregnancy, race, religion, religious creed, sex, sexual orientation, sex stereotype, and veteran status as used herein are consistent with the definitions provided in the Interim CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (Non-Discrimination Policy) or its successors. The Non-Discrimination Policy is formerly known as Executive Order 1096.
- 25.2 An employee, who alleges discrimination in violation of a CSU systemwide non-discrimination or anti-harassment policy, shall file their complaint under the procedure described in Non-Discrimination Policy or any successor policy, if applicable. An employee may, at any time, file a complaint regarding the same incident with the Equal Employment Opportunity Commission and/or the Department of Fair Employment and Housing.

Whistleblowing

- 25.3 An employee, who wishes to file a disclosure of an improper governmental activity and/or a significant health or safety threat, shall file their complaint under the procedure described in Complaint Procedures for Protected Disclosure of Improper Governmental Activities and/or Significant Threats to Health or Safety or its successors (formally known as Executive Order 929), or in any superseding procedure, if applicable.
- 25.4 An employee, who alleges that they suffered retaliation for making a protected disclosure of an improper governmental activity and/or a significant health or safety threat, shall file their complaint under the procedure described in Complaint Procedure for Allegations of Retaliation for Having Made a Protected Disclosure under the California Whistleblower Protection Act (formally known as Executive Order 1058), or its successors, if applicable.
- 25.5 The parties agree that CSUEU has the right to file a complaint under Non-Discrimination Policy or any successor alleging discrimination or sexual harassment against more than one CSUEU-represented employee. The CSUEU agrees to identify the employees/grievants when so requested and to identify the alleged harm to those employees/grievants.
- 25.6 CSUEU and CSU agree that the intent of Article 25, Section 25.2, is that employees who allege discrimination in violation of CSU's systemwide Non-Discrimination Policy shall file complaint(s) under the procedure set forth in the policy or any successor.

25.7

It is understood that such discrimination complaints are not grievable under Article 7, Grievance Procedure, nor are they complainable under Article 8, Complaint Procedure.

ARTICLE 26

CRUISE EMPLOYEES

26.1 This article applies to all employees who are assigned to go on cruise.

Food Service Series Cruise Calendar Employees

26.2 The following provisions refer to employees in Food Service Series classifications who are scheduled to work on the same basis as employees under an Academic Year Pay plan and who are required to work one (1) cruise per year.

- a. For Food Service Series cruise calendar employees at the Cal Maritime one year of service is equivalent to an academic year, plus one cruise.
- b. Food Service Series cruise calendar employees serving in a cruise year appointment do not accrue vacation credits and are not eligible for paid vacation.
- c. Food Service Series cruise calendar employees are entitled to all days designated in the campus academic calendar as academic holidays, or any other day designated by the Governor for a public fast or holiday. If the timebase is less than full-time, this provision will be applied on a pro rata basis.
- d. At the completion of a worked cruise, Food Service Series cruise calendar employees earn forty (40) hours of CTO to be used during the following calendar year terms.

Incidental Pay Premium

26.3 All employees who are required to go on cruise are to receive at least seven dollars (\$7.00) per day incidental pay, or the state approved incidental expense for travel (whichever is greater) for each day worked on a Cal Maritime Cruise. This allowance is provided to all employees while on cruise, and not just to those in Food Service series positions.

Employee Reimbursement

26.4 If any employee is required to obtain or renew their passport for cruise purposes, the cost of doing so shall be reimbursed by Cal Maritime.

26.5 If any employee is required to obtain or renew a Merchant Mariner Credential/Document (Z card), Transportation Worker Identification Credential (TWIC card), or any other document and/or credential required by a governmental agency for cruise purposes, the cost of doing so shall be reimbursed by Cal Maritime.

- 26.6 If any employee is required to obtain a physical exam, x-ray, vaccination or medical or drug/alcohol testing for cruise purposes, the cost - including time off (not to exceed four hours) - will be borne by Cal Maritime.
- 26.7 If and when any employee performs any classroom instruction, that individual will receive a separate lecturer appointment.

ARTICLE 27

LABOR MANAGEMENT COMMITTEES

Campus Labor Management Committees

- 27.1 At the request of either CSUEU or CSU, a meeting shall be held to discuss whether to establish a joint labor/management committee to discuss issues of mutual interest. If an LMC is established, it shall be composed of up to six (6) representatives from labor and up to six (6) representatives from management employed at the campus. More representatives may participate, subject to mutual agreement. CSUEU staff may participate on any CSUEU LMC. Both sides shall be equally represented and appointed by their respective parties.
- 27.2 If formed, this committee shall meet on an ad hoc basis, at times and dates mutually agreeable to the parties and surrounding a campus specific issue. The parties shall notify each other of the issues that they desire to discuss at least fifteen (15) days prior to a scheduled meeting date. LMCs shall issue a report within ninety (90) days of its last meeting.
- 27.3 The committee's agenda shall be limited to discussing matters which the campus has the authority to resolve and is related to the interpretation and application at the campus of campus policy and/or the provisions of the Agreement between the parties.
- 27.4 Release time shall be provided to members of the LMC for the purpose of participating on the committee.

Systemwide Labor Management Committees

- 27.5 By mutual agreement, a systemwide joint labor management committee may be established and shall be composed of up to six (6) representatives from labor and up to six (6) representatives from management. More representatives may participate, subject to mutual agreement. CSUEU staff may participate on any CSUEU LMC.
- 27.6 The committee's agenda shall be limited to discussing mutually agreed upon topics.
- 27.7 Release time shall be provided to members of the LMC for the purpose of participating on the committee.
- 27.8 The parties shall convene an LMC to discuss the State Controller's Office proposed new payroll system, including, but not limited to plus/minus time and pay periods.

General Provisions

- 27.9 Committee recommendations, if any, will be advisory in nature.

ARTICLE 28

FAMILY AND MEDICAL LEAVE AND PREGNANCY DISABILITY LEAVE

28.1 The family and medical leave provisions in this Article incorporate both the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) and will be denoted by FML.

Eligibility

28.2 An employee who has at least twelve (12) months of service is entitled to a family and medical leave without pay.

28.3 An eligible employee who is the spouse, registered domestic partner, son, daughter, parent or “next of kin” of an injured, covered service member is eligible for Service Member Care Leave, pursuant to the Fiscal Year 2010 National Defense Authorization Act and related laws.

28.4 An eligible employee with family members in the regular Armed Forces or National Guard or Reserves is entitled to Military Exigency Leave, pursuant to the Fiscal Year 2010 National Defense Authorization Act and related laws.

Entitlement

28.5 Eligible employees are entitled to up to twelve (12) weeks of leave for an FMLA qualifying event within a twelve (12) month period.

28.6 Employees eligible for a Service Member Care Leave are eligible for twenty-six (26) workweeks of leave, which includes Service Member Care Leave and the twelve (12) weeks of leave for any other FMLA qualifying event within a twelve (12) month period.

FML Entitlement

28.7 Eligible employees shall be granted up to a total twelve (12) weeks of family and medical leave (FML) in a twelve (12) month period for the birth of a child of the employee; the placement of a child with an employee in connection with the adoption or foster care of the child by the employee; to care for a child, parent, spouse, registered domestic partner, sibling, grandparent or grandchild of the employee who has a serious health condition; or for the employee’s own serious health condition.

28.8 Military Exigency Leave is FML for the purpose of addressing issues which may arise from a covered military member’s deployments or call to active duty to a foreign country. Length of time off from work varies under Military Exigency Leave based on type of leave taken and shall be deducted from the twelve (12) week entitlement.

Time Taken on FML

- 28.9 FML is unpaid leave; however, employees shall utilize appropriate leave credits prior to being placed on any unpaid portion of FML.
- 28.10 If an employee asks to use vacation or other paid time off without reference to a FML-qualifying purpose, the CSU may not ask the employee if the leave is for a FML-qualifying purpose.
- 28.11 If the employer denies the employee's request to use vacation or other paid time off and the employee then provides information that the requested time off is or may be for a FML-qualifying purpose, the employer may inquire further into the reasons for the absence. If the absence is FML-qualifying, employees shall utilize appropriate leave credits in accordance with this Article.
- 28.12 When FML is granted for an employee's own serious health condition, an employee shall use applicable leave credits, including sick leave, vacation, compensatory time off (CTO) and Personal Holiday before going on any unpaid portion of FML. However, if the leave is due to the employee's own serious health condition and also qualifies as an Industrial Disability Leave (IDL), Temporary Disability, or Non-Industrial Disability Leave (NDI), the appropriate guidelines shall apply.
- 28.13 FML taken by an employee to care for an eligible family member shall be leave without pay except that an employee must utilize all accrued vacation, personal holiday, compensatory time off (CTO) that the employee is eligible to take prior to any unpaid period of FML.
- 28.14 An employee may use accrued sick leave during the period of FML to care for an eligible family member upon mutual agreement between the employee and the Appropriate Administrator. Such requests for sick leave shall be made in accordance with Article 15 of this Agreement.
- 28.15 For FML taken for reason of the birth of a child or adoption/foster care of a child by an employee, shall be initiated within one (1) year of the birth of a child or placement of a child with the employee in the case of adoption/foster care.
- 28.16 The period of FML granted to an employee for the birth of a child shall run concurrently with the period of leave available to an employee under Education Code 89519.
- 28.17 FML is separate and distinct from the right of a female employee to take a pregnancy disability leave under Government Code Section 12945. If a female employee takes part or all of the maximum four (4) months of pregnancy disability leave, she may also request up to twelve (12) weeks of FML for reason of the birth of the child, or to care for the new child, or due to her own or child's serious medical condition. FML and pregnancy disability leave shall run concurrently with the period of leave available under the provisions of Education Code Section 89519. FML shall not run concurrently with pregnancy disability leave under Government Code Section 12945.

28.18 The amount of family care and medical leave that may otherwise be granted under Article 16 may be reduced by the amount of FML granted to an employee for reasons set forth in this Article.

Request and Approval

28.19 When the Appropriate Administrator becomes aware that an employee has taken or intends to take time off for an FML qualifying reason pursuant to provision 28.7, the employee may be asked to provide documentation from a medical professional asserting that there is an FML qualifying reason. FML qualifying leaves may be designated as FML.

28.20 An employee shall provide the President with written notice of the need for FML as soon as the event necessitating the leave becomes known to the employee. In general, as much advance notice as is reasonably possible shall be provided and normally shall not be less than five (5) working days of the event giving rise to the need for leave.

28.21 If the employee's need for family and medical leave is foreseeable due to the employee's planned medical treatment or planned supervision of a child, parent, spouse, or domestic partner with a serious health condition, the employee shall provide the President with not less than fourteen (14) days notice of the need for the leave. The employee shall consult with the Appropriate Administrator regarding the scheduling of the treatment or supervision so as to minimize disruption of the operations of the campus.

28.22 Before granting FML for the serious health condition of a child, parent, spouse, or domestic partner, the President may require certification of the serious health condition from the health care provider.

28.23 Upon expiration of the period which the health care provider originally estimated that the employee needed to care for the child, parent, spouse, or domestic partner, the President may require the employee to obtain recertification if additional leave is requested.

Return to Work

28.24 Approved FML assures the employee a right to return to the employee's former position or an equivalent position upon expiration of the family and medical leave. If the former position and any equivalent position have ceased to exist due to legitimate business reasons unrelated to the leave, the campus shall make reasonable accommodation by alternative means that will not cause undue hardship to the campus. Such alternative means shall include, but not be limited to, offering the employee any other position which is available and for which the employee is qualified. FML shall not constitute a break in service for the purposes of length of service and/or seniority under this Agreement.

28.25 An employee on FML shall retain employee status and shall continue to accrue seniority points pursuant to Article 24 of this Agreement during the period of the FML. During FML, an employee may continue to participate in benefits to the same

extent and under the same conditions as would apply to any other personal leave of absence without pay pursuant to this Agreement, except that if any paid portion of the FML is less than twelve (12) weeks, unless canceled by the employee, the CSU shall continue to make employer contributions toward health, dental and vision coverage for the unpaid remainder of the twelve (12) week period. If an employee fails to return at the end of FML, the CSU may require repayment of insurance premiums paid during the unpaid portion of the leave. The CSU shall not require repayment of premiums if the employee's failure to return is due to the employee's serious health condition or due to circumstances beyond the employee's control.

28.26 The granting or denial of FML provided in this Article shall be subject to Article 8, Complaint Procedure.

ARTICLE 29

DURATION AND IMPLEMENTATION

- 29.1 This Agreement shall become effective upon ratification by both parties and shall remain in full force and effect up to and including June 30, 2024.
- 29.2 Negotiations for a successor agreement shall commence when one of the parties delivers to the other its proposals in writing no earlier than January 1 and no later than February 1 immediately preceding the expiration of this Agreement.
- 29.3 Pursuant to Government Code 3572(b) (HEERA) any term of this Agreement which is deemed by the Employer to carry an economic cost shall not be implemented until the Employer determines that the amount required therefore has been appropriated and makes such amount available for expenditure for such purpose. If the Employer determines that less than the amount needed to implement this Agreement, or any provision herein, has been appropriated to implement this Agreement or any provision herein, the term(s) of this Agreement deemed by the CSU to carry economic cost shall automatically be subject to the meet and confer process.

SIDE LETTER OF AGREEMENT #1

ARTICLE 5 OFFICE SPACE

The CSU will write the CFA Headquarters and remind them that Provision 6.23 of the CFA collective bargaining agreement states:

The CFA shall be provided appropriate office space on each campus, which shall, upon their request, be shared with other bargaining representatives. Rental charges for the duration of this Agreement shall be one dollar per year for each office provided.

The CSU will advise the CFA that it expects the CFA to comply with this provision of the collective bargaining agreement.

SIDE LETTER OF AGREEMENT # 2

REOPENER ON SALARY STRUCTURE AND MOVEMENT THROUGH RANGES

January 13, 2012

The California State University (CSU) and the California State University Employees Union (CSUEU) acknowledge the following:

1. During 2007/2009 contract negotiations, there were long discussions about the CSU's compensation and classification structure and the movement of employees through open salary ranges.
2. No resolutions on these complex issues were reached and the parties agreed to convene a Labor Management Committee (LMC) on Long-Term Compensation.
3. The LMC on Long-Term Compensation met between 2009 and 2011 and issued a report and recommendations on February 23, 2011.
4. On July 15, 2011, CSUEU and CSU agreed to a Side Letter which addressed four of the LMC's recommendations, which are:
 - a. The CSU shall communicate the importance of maintaining accurate and up-to-date position descriptions. Accurate position descriptions are critical to properly classify positions because positions are classified based upon the level at which the majority of duties are performed.
 - b. The CSU shall reevaluate skill levels within career bands, including the possible break up of career skill levels.
 - c. The CSU shall review the Administrative Support and the Administrative Analyst/Specialists series to more clearly differentiate the levels and classifications.
 - d. The CSU shall continue to expedite the classification series implementation and/or revision process.
